

ERA 100TH YEAR, EXPRESS-HERALD 57TH YEAR

NO. 29

NEWMARKET, ONTARIO, THURSDAY, JULY 17, 1952

SINGLE COPIES 5 CENTS EACH

Council To
Put Up Large
Highway Sign

A large sign advertising Newmarket, its industries, potential industrial sites and population is to be erected on No. 11 highway soon.

Councillor Charles Boyd submitted a motion to council recently, authorizing the erection of the sign but the motion was withdrawn until available property is found for the sign.

Mr. Boyd said the sign would be 20 feet long and nine feet high, would cost \$350, including the cost of putting it up but not to include lighting. It is to be the same size as most highway advertising signs.

He said he would bring in a motion again as soon as he could find suitable property near the highway.

BRUCE GLOVER,

R. R. 3 SUTTON

WINS PHOTO QUIZ

Bruce Glover, R. R. 3 Sutton, was the winner of the Era and Express farm photo contest last week. The Glover farm is located one mile west of Sutton on the highway to Keswick. Mr. Glover is a farmer and trucker.

Mrs. William Weldon, who won the first week of the contest and who lives near the Glovers, broke the news to them Saturday morning that their farm was in the paper. Six persons called later.

The Glovers have lived on their farm for nine years, since they were married. Bruce was originally from Ravenshoe, the son of Harold Glover, former reeve of North Gwillimbury township. Mrs. Glover taught school in Ravenshoe and is now teaching in Sutton.

This week's farm photo quiz is on page 13.

HYDRO MAN INJURED

Bob Walker, member of the Newmarket hydro crew, had his leg injured when the crew was taking down the lamp-posts from the east side of Main St. on Tuesday. He'll be off work until Monday.

Most of the poles on the east side of Main St. and south of Millard Ave. had been removed by Thursday by the hydro men and Main St. presented an increasingly tidier appearance as a result. The work is being done as part road improvement plans along the street.

CIVIC HOLIDAY

Monday, Aug. 4, has been proclaimed a civic holiday in Newmarket. The resolution was passed at the last council meeting on Monday afternoon.

SCHOOL PROMOTIONS

Holland Landing school promotions can be found on page two. Other school promotions will be printed as received by the Era and Express.

HOME FROM KOREA

Private Douglas Simpson, M. Albert, returned home from Canada's U.N. forces in Korea. He had spent 15 months in Korea and Japan. He is the son of Mr. and Mrs. Nick Simpson.

ANOTHER NEW LIONS CLUB

The new King Lions Club received its charter at the club's initial banquet held at the Greystones in Aurora Wednesday night last week. Dick Edmunds, Richmond Hill, Lions International Councillor is shown above, left, presenting the club charter to the first president of the King club, John Dew. Era and Express photo.

ARTIST'S INSPIRATION

Fairy Lake A Swimmer's Paradise

Newmarket artist Sam Cawthra painted this picture of Fairy Lake as it should look after a clean-up. Mr. Cawthra, after reading a report by the office in the Era and Express, painted a clear blue Fairy Lake with swimmers, boaters and a beach house.

The quiet waters of Fairy Lake, Newmarket, are green these days, green from a particular plant growth which thrives on stagnation.

But an artist found sufficient inspiration to paint a picture of Fairy Lake as a beautiful recreation site with dozens of swimmers and some boaters and a beach house on the west bank.

It appears that in the painting above, the waters have been cleared and freshened for the swimmers because they appear to be enjoying themselves, fearing neither frogs, snapping turtles nor sewer waters.

Sam Cawthra, a member of the

Newmarket Art Club, brought the painting below, into the Era and Express office earlier this week. His imagination had been fired by some writings in the Era and Express on a suggested clean-up around Fairy Lake.

An article by the office called last week made a suggestion to "keep out the cows and horses upstream, plant cedar trees along the shore and ban sewer water from Aurora." The office said, "The opportunity is awaiting a real good conservation authority."

The results of conservation practices come about slowly over a period of years. Ginger sug-

gested immediate action.

For a clean-up campaign to make Fairy Lake a swimming paradise, Ginger, the office cat, suggested the slogan, "We May Be Landlocked But We Haven't Lost Our Eye For Beauty—Open Fairy Lake For Swimming—and Pretty Girls."

Fed by the languid Holland River, Fairy Lake is now the wrong shade of green and supports low life but maybe some day a swiftly flowing Holland River will pour cool, fresh water into the clear blue waters of Fairy Lake, as Mr. Cawthra sees it.

Lions Club Carnival
Opens With Parade To
Park Next Wednesday

The Newmarket Lions club is having its annual carnival on Wednesday, July 23, in the Lions park. The carnival will begin with a parade down Main St., followed by the popular Mutt Show. Draws will be held at nine, ten, and 11 p.m.

The parade, in reality a contest for the best decorated bicycle, tri-cycle, wagon or baby carriage among Newmarket's small fry, will move off from the corner of Main and Millard at 7 p.m. It is hoped that the town band will be there to lead the parade. Prizes will be given the best decorated vehicles and riders.

The parade will go south on Main St. and along D'Arcy St. to the park.

Following the parade, there

will be the popular Dr. Ballard Mutt Show which, with each succeeding year, draws increasing popular support. There will be prizes for all the entries and special prizes in the following classes: largest dog, smallest dog, best dressed dog, dog with longest tail, dog with shortest tail, dog doing best tricks, dog eating dish of dog food in shortest time.

On the grounds will be a wide variety of games including the many popular booths of other years. Additionally, there will be a sailboat ride for the children.

Substituting for the usual draw held on this night, which will not be held until September 26 this year, there will be draws on the hour at 9, 10 and 11 p.m. Entry in these draws is free. As those attending the carnival participate in the games, they will be given draw tickets. Only condition is that the winners must be on the grounds.

The annual carnival is the club's major fund-raising activity and the proceeds, as usual, will be used in the club's service work.

Included in this work is the annual free summer program for children now in progress at the park each week day, a heavy program of park improvements including lights and landscaping, as well as regular service club work of paying for dental and surgical care of children who need it, looking after those in distress and contributions to national service organizations.

This year, instead of having two nights together as has been the regular custom, the club is having its second night at the Newmarket Arena on September 20 when the draw for the car will be made at a monster bingo.

"We've had excellent support in these events in other years and we hope the public will continue to support us," said President Stan Smith. "It is in this way that we can raise our funds for service work. We are able to help others in the same degree in which we are supported at these events."

PRISONER JUMPS
FROM TRAIN, FLEES
SOUTH OF AURORA

Charles Kenneth Dale, 42, being taken to Sarnia to face a charge of car theft there, jumped from the C.N.R. train near the bridge over Yonge St. south of Aurora and escaped on Sunday.

Dale, in the custody of Det. Rex Hovey of Sarnia, was allowed to go to the wash-room after the train pulled out of Aurora. When the train slowed before the bridge, Dale broke the wash-room window and jumped from train. A passenger saw him roll down the embankment and then scramble to his feet.

When Dale did not return to his seat, Det. Hovey forced the door of the wash-room and found the broken window. Provincial police searched the area closely but Dale had got away. It is believed he hitch-hiked to Toronto. He had been arrested in Halleybury.

NORTH YORK'S
PLOW MATCH TO
BE AT VANDORF

The North York plowing match will be held north of Vandorf this year on the farm of George Richardson, fourth concession of Whitechurch. Mr. Richardson's 200 acre farm has been described an excellent location for the match.

The North York plowing match is to be held earlier than usual this year because the International Plowing Match is to be held at an earlier date in the fall.

A larger than usual display of farming equipment and demonstration of farm implements will be featured at the North York match.

PLAN TO RESTORE
SHARON CEMETERY

A meeting has been called in Sharon Hall on July 28 to discuss the renovation of the old burying ground south of Sharon on the third concession. The meeting was called, according to law, by Mrs. Emily Grose, Mrs. Gertrude Collins, A. L. Lundy and Mrs. M. D. Hopkins.

It is intended to elect trustees to look after the old cemetery. All those who have relatives in the burying ground are urged to attend. The old cemetery is in a badly dilapidated state and not long ago, it was found that vandals had tipped gravestones.

Mayor Wants
Fire Insurance
At Lower Rate

"Even if we had a permanent fire brigade, the cost might be saved in the resulting reduction in fire insurance premiums," Mayor Joseph Vale told Newmarket council last week.

The mayor and some members of council attended a meeting last Monday afternoon with the Canadian Fire Underwriters and it was learned that a permanent fire brigade would reduce premiums five cents on every \$100 of appraised value. The mayor said "the reduction would not pay the cost of a permanent brigade" as he thought it might.

"I am fed up with insurance rates we are paying as a town," said the mayor earlier. "We are going to start making a real drive to get the rates down; we will find some answer for it."

"We could carry our own insurance if necessary," said Councillor Dale.

"But I include premiums paid not only by the municipality but by all taxpayers as well," the mayor said.

Comparing insurance rates, Councillor Boyd said that Newmarket should be lower than Aurora.

"Mr. Boyd, we will be lower than Aurora," the mayor predicted.

The fire underwriters made several suggestions to improve fire protection in Newmarket and they have been passed on to the fire committee.

TWO MEN SHOT AND
WOUNDED ON ISLAND
RESERVE SUNDAY

Two men were shot and wounded on Georgina Island on Sunday when a man stopped their car on the Indian Reserve and fired through the open window.

Taken into custody by the Ontario Provincial Police was Corbett Johnson of Georgina Island. Police seized a sawed-off .22 rifle and Johnson was taken to the Don Jail in Toronto.

A bullet creased the forehead of Munroe McCue, 23, and lodged in the right leg of Thomas Porte, 20, who was sitting beside him. They were taken to Toronto General Hospital after first aid was given by Dr. C. S. Noble, Sutton.

McCue was able to drive his car to the island dock. Chief Lorenzo Biganose, a water taxi operator, took the injured men to the mainland.

The R.C.M.P. are carrying on further investigation. McCue said he was on his way to the Porte home with Orville and Thomas Porte and Lionel Taylor to pick up their bathing suits.

McCue said the man walked over from a truck and put the rifle through the window. "He asked us if we knew where he could find a James York," he said. He said he told the man York was not in the car but that the man still stood there. McCue reached for the rifle to brush it aside but it discharged.

Orville Porte and Taylor dropped to the floor in the back seat and the man ran back to the truck.

Residents Angered
Over Speeding On
Newmarket Streets

Newmarket residents have been voicing complaints about speeding in town. Some of the concerned citizens, one of them a councillor, have even pointed their criticisms at the provincial police cruisers.

With the establishment of the provincial police headquarters here and more frequent magistrate's court sessions, the frequency of squad cars passing on Newmarket streets has increased.

NECK FRACTURED,
JEFF SMITH IN
HOSP. AFTER CRASH

Jeff Smith, Newmarket plumber, is in York County hospital suffering a fractured neck, the result of a serious accident over the weekend near Ravenshoe. His condition is said to be good.

He was riding in a panel truck driven by Art Sheridan, Newmarket, who with Mr. Smith's son Mark, 12, were on their way to pick blueberries. Travelling along the Ravenshoe road, they were struck by a car travelling north along the fourth concession.

Driver of the north-bound car, Russell S. Taylor, 36, Toronto, was on his way to a summer cottage on Lake Simcoe. His car hit the Sheridan truck at the intersection.

Taylor was severely injured when he was thrown from his car against a mail box post. The impact broke the post. Smith was sitting on the right side of the truck seat where the Taylor car smashed into the truck. Sheridan and the boy escaped without injuries.

Chief Constable Jos. Jardine, Queensville, investigated the accident. He said the corner where the accident occurred is obscured by bushes and that several accidents have happened there.

FOSTER BROTHERS
JAILED FOR ARSON
AFTER SUTTON FIRE

Convicted on a charge of setting fire to a restaurant in Sutton on July 1, two brothers, Gordon, 29, and Alvin Foster, 24, were sentenced to jail terms by Magistrate O. S. Hollinrake at Newmarket court Tuesday.

Inspector Ray Simmons of the Ontario Fire Marshal's office testified that a fire had been set at the back of Riverside Lunch and that he had obtained statements from the two brothers the day after the fire. They admitted setting it because of a grudge against the restaurant operator, John Perry.

Gordon Foster was sentenced to three years definite. Alvin was given a term of two years less a day definite and one year indefinite. Both pleaded guilty.

Damage to the restaurant in the after-midnight fire amounted to \$3,000. The operator testified that he had ordered the two men to leave the restaurant 15 minutes before the fire was discovered because, he said, they had been causing a disturbance.

Tax Payments
Up \$10,000
In Whitchurch

Tax collections in Whitchurch are approximately \$10,000 ahead of collection at this time last year, according to information given council at the regular meeting on Saturday afternoon. Taxes collected this year to date total \$58,583.04.

Final payment amounting to \$782.03 was authorized Saturday to Arthur McIlroy, secretary of S. S. No. 1 Whitchurch, for payment to the architect of the new school in that section.

An account was passed for payment for oil dust layer this year amounting to \$6,563.23. The road superintendent's accounts also contained \$1,875.36 for a new weed spraying machine recently delivered and now at work on township roadsides.

There was some discussion on a disagreement which arose over oil being placed on the roadside in front of the Cedar Valley store operated by Mr. Bolton. Mr. Bolton, it appeared, requested some oil in front of his premises, and Mr. Chapman, operator of the Pine Orchard store, immediately put in a similar request.

However, by this time, the oil truck had left Whitchurch and calcium was placed on the Pine Orchard store front. Both men agreed to pay for their dust layer.

Councillor Legge stated that he would recommend in future that calcium be given and paid for at cost wherever such requests crop up.

"I have no objections," stated Reeve McLaughlin, "but we might find ourselves faced with a lot of requests."

Council all agreed that the storekeepers who had received the benefit should pay for this year's dust layer, but calcium only would be used in doing such "off the beat" jobs in future.

Road Supt. Davis revealed that a trucker had dumped a quantity of refuse, plaster, stones, boards, bricks, etc., along two hundred feet of the Bethesda road. Through investigation the provincial police located the driver of the truck at Agincourt. Rather than leave the man appear in court, he was allowed to settle, and paid \$20 into the municipality who had to send road men to clean up the mess.

Council agreed to a trip over the municipal roads on Tuesday of this week.

Two Soldiers Home From Korea
Another Left Ill In Vancouver

Two soldiers returned to their home in King after serving in Korea for a year and a half. They are Eddie and Gary Bishop who live on the sixth concession of King.

There was bitter disappointment for another soldier's parents, Mr. and Mrs. H. H. Alexander, third concession King, at Union Station, Toronto, on Saturday morning. The Alexanders with two daughters, Mary and Betty, were there to meet their son Peter, but were told that he was left behind, ill in Vancouver.

The parents had no knowledge that Peter had not come with the rest of the troops until an hour after the troop train pulled in, nearly three hours late.

"A small slip of yellow paper was finally unearthed in the Army Transport office which said our son was ill," said Mrs. Alexander. "We had welcome home banners and flags and a

big anniversary cake for him," she said. "It is certainly a disappointment."

With the Army Provost Corps, Cpl. Alexander, 22, has been in the service four years and in Korea over a year.

"I hope headquarters at Ottawa will fly Peter to hospital here and that we may see him before we leave for England," said Mrs. Alexander who has booked passage for herself and her daughter on August 12.

On the sixth concession at Strange, there was great rejoicing as Privates Eddie and Gary Bishop were re-united with their parents, Mr. and Mrs. Joseph Bishop.

They have been with the Princess Pals since the summer of 1950 and in Korea for nearly a year and a half. They intend to take their discharge from active service.

"Are we ever glad to be back," said Eddie on Sunday. "Korea is a horrible country."

COMING EVENTS

WEDNESDAY, JULY 23 — The old time dance of the season, sponsored by Vandorf Community Centre Board and Whitchurch Conservation Club, at Glendale Pavilion, Atsuseman's Lake. Entire proceeds for community park project at Vandorf. Admission \$1 per couple. clw28

SNOWBALL
On Tuesday, July 22, an ice cream social will be held on the lawn of Mrs. Calvin Mitchell. A good program will be given. Proceeds go for supply work in the W.M.S. of Snowball church.
The circuit picnic will be held on Saturday, July 26, at Woodland park. This includes the congregations of Snowball, Potageville and Kettleby churches.
Susan and Barbara Blum are holidaying with relatives in Stratford this week.
Mr. and Mrs. Nash of Toronto were weekend guests of relatives, Mr. and Mrs. Cliff White, and family.
Mrs. William Storey of Sharon spent Wednesday with Mrs. Frank Hollingshead.
Mr. and Mrs. Errol Gould and family of Newmarket spent Friday evening with Mr. and Mrs. W. Gould.
W.A. and W.M.S. held the July meeting at the home of Mrs. Aubrey Wood with a good number present. Mrs. Wood presided at W.A. devotions which were given by Miss Sheila Davison. After a short business session, Mrs. Wood presented the retiring president and secretary. Mrs. C. Copson and Mrs. H. Patrick, each with a crystal rose bowl and lovely card in appreciation of their many years of service. Both thanked the ladies for the lovely gifts. Meeting closed with prayer by Mrs. B. Smith.
W.M.S. was conducted by Mrs. C. Mitchell with Mrs. Lloyd Fowler giving the devotions. Mrs. C. Conner gave a chapter of the study book. Plans were made for a social. Meeting closed by prayer. Lunch was served.
Mrs. William Gould left Saturday for a holiday with her daughter and son-in-law, Mr. Mrs. Earl Sutherland of Detroit.
Mrs. C. Gilchrist of Toronto spent Saturday with her sister, Mrs. Frank Hollingshead, it being her birthday.
Mr. and Mrs. Lorne James and son Donnie of Uxbridge were Sunday guests of her parents, Mr. and Mrs. Howard Morning, and family.

PINE ORCHARD
Don't forget the ice cream social, musical program and picture films at Union church under auspices of Willing Workers on Friday evening, July 18, at 8 o'clock. Everybody welcome.
Mr. and Mrs. Harry Brammer and Lorraine spent last Sunday at Church of Christ Bible school.
Mrs. A. J. Milne of Queensville visited recently with her sister, Mrs. B. Dike.
Mr. and Mrs. Rae McClure and Danny spent the weekend with Mr. and Mrs. W. Whitfield at Thornbury. Mr. McClure returned home while Mrs. McClure and Danny remained for a holiday.
Mr. Don Sheridan has accepted a position in Toronto.
David Portingell has gone to B. C. to make his home with relatives.
Misses Helen Reid and Ila Haines of Sharon visited friends in North Bay recently.
The Boake family were recent guests of the McFarlane family at Warkworth.
Mr. and Mrs. Douglas Hope and family, Mr. and Mrs. Edgar Dennis, visited recently with relatives at Willowdale and Richmond Hill.
Mr. and Mrs. Ross Armitage and Mr. Harry Armitage visited Mr. and Mrs. H. V. Armitage at Stouffville on Thursday.
Traffic on our main road was quite heavy over the weekend with special meetings at the Free Methodist camp and the Girl Guides at the Boy Scout camp.
Mr. and Mrs. Fred Allen and son of Windsor have been holidaying with Mr. and Mrs. R. Allen and Miss Aleta Widdell.
Mrs. W. Reid, Miss Helen Reid and Mr. S. Gibney attended Decoration service at Mount Albert cemetery on Sunday evening.

HOLLAND LANDING
Mrs. F. H. Chapman, Toronto, is visiting her sister, Mrs. M. G. Evans.
Mr. H. R. Goodwin and family are holidaying at Woodland Beach.
Mr. and Mrs. E. D. Lundy spent last week at Stony Lake.
Service at Christ church on Sunday, July 20, will be at 2:30 p.m. Celebration of Holy Communion. Rev. T. B. Butler, Weston, celebrant.
Misses Shirley Bellar and Joan Simpkins are holidaying at Camp Couchiching, Longford Mills.
Mr. and Mrs. J. F. Kitching have returned from their holiday at Balm Beach.

ZEPHYR
Mr. and Mrs. Jas. Lockie spent a couple of days at their cottage at Franklin Beach.
Mrs. Austin Pickering and children of Whitby are spending a few days visiting friends here.
The S. S. picnic of the United church was held at Port Holster on Wednesday afternoon.
Miss Marion J. Lockie, D.C., of Newmarket, spent a couple of days in New York city with Mr. and Mrs. G. H. Dowdy and Miss Grace Lockie, who have just arrived on the S. S. Queen Elizabeth from Cheltenham, England.
A number from here attended the decoration service at Mount Albert cemetery on Sunday evening.
Mr. Newt. Thompson and Mrs. Clelland attended the funeral of their cousin at Claremont on Monday.

Mount Albert News
Mr. and Mrs. C. Paisley, Mr. and Mrs. Herbert Boden and Mary, spent a few days at Muskoka Lakes and called on Mr. and Mrs. Stuart Paisley of Milford Bay.
Master Jas. Shillinglaw is attending Blue Mountain camp near Collingwood for a few weeks.
The Cheerio Group will hold their annual picnic on Wednesday, July 23, at the cottage of Mrs. C. Rolling, Lake Simcoe. Cars will leave at 2 p.m.
Mr. and Mrs. Ronald Allison and Betty of Toronto spent the weekend with his parents, Mr. and Mrs. T. Allison.
Private Douglas Simpson was welcomed home last week by his parents, Mr. and Mrs. Nick Simpson, from Korea where he has spent 15 months there and in Japan.
Mr. and Mrs. Kenneth Mitchell attended a wedding in Toronto on Saturday.
The remains of the late Merritt Ough were brought to Mt. Albert cemetery for burial on Monday. Mr. Ough was born in North Gwillimbury 81 years ago, son of the late Mr. and Mrs. Thos. Ough. He lived for many years in Mt. Albert where the family carried on a bakery.
Moving to Toronto some years ago, he had been with the McColl-Fontenac Oil Co. until retiring. His wife, the former Anna Terry, predeceased him two years ago.
He is survived by one son, Ben, two daughters, Mrs. F. Brown (Olive) and Mabel at Fry, Jacqueline White.

Rural Schools Share In Series Of Festivals

Every school under the supervision of Miss Mona Armstrong of Zephyr participated in a music demonstration at the close of the school year.
In Stouffville: United church, late in May, the following schools took part: Ringwood (Mr. Carl Grove), Melville (Mrs. Laidlaw), No. 7 Markham (Mrs. Murray), No. 7 Whitechurch (Mr. Percival, principal, Mrs. Evans, juniors), Vivian (Miss E. Jackson), No. 8 East Gwillimbury (Mrs. Glass).
Guests at this festival were O. M. MacKillop (inspector of public schools for York 1) and Mrs. MacKillop, and Mr. H. B. Galpin (inspector of York 9). Both Mr. MacKillop and Mr. Galpin spoke to the gathering expressing their happiness at being present and praising the children, teachers and the music supervisor for the splendid performance.
Mr. Galpin suggested that he hoped that Miss Armstrong would make the festival a yearly one. Rev. Douglas Davis, minister of the church, welcomed the group. Pianists accompanying the numbers were Miss Verna Wideman, Mrs. H. Murray, Miss Marion Eves, Mrs. E. Grose, Mrs. Doner and Mr. Carl Grove.
On June 20, seven classrooms gathered at Queensville. They were Queensville juniors and seniors (Mrs. MacMillan and Miss Davidson), Poplar Bank (Miss Edith Belfry), No. 3 Whitechurch - Bogartown (Miss Shirley Bredin), No. 7 East Gwillimbury (Miss Harrison), No. 8 East Gwillimbury (Mrs. Glass), No. 11 East Gwillimbury (Mr. Galloway). The pupils' parents and friends were welcomed to the Queensville United church by the minister, Rev. E. Warren.
Rhythm bands played from Poplar Bank, Queensville and Bogartown, accompanied by Harriet Faris, Miss Beth Theaker, and Judy Watts and led by Bobby Vernon (Poplar Bank) and Marilyn Dew (Queensville). Pianists for the choruses with accompaniments were Misses Marion Eves and Beth Theaker.
The final number of the Bogartown school, "Beyond the Sunset", was accompanied by Miss Theaker at the piano and Mr. Harry West, secretary of the school board, with his violin.
This festival was originally planned to be held in the Newmarket high school auditorium. Due to a postponement, the high school was not available. The children, teachers and Miss Armstrong were grateful to the board of Queensville church for putting the church at their disposal. Special thanks are also due the good folk at Poplar Bank who provided beautiful flowers to decorate the platform. These were given afterwards to Miss Armstrong and the pianists, Miss Eves and Miss Theaker.
The Mount Albert district festival was held June 24 in Mount Albert Community hall. Schools were: Holt (Mr. Dawson), No. 12 East Gwillimbury (Mrs. Willbee), Franklin (Mr. Ferguson), No. 10 Scott (Mr. Jones), Mount Albert (Miss Campbell, principal, Mrs. Ross, intermediates, and Mrs. Pearson, juniors). In addition to the usual choruses there was a rhythm band and a folk dance from the Mount Albert junior room and a rhythm band from Franklin. Pianists were Joan Murphy and Margaret Tindall and the leader was Larry Rose. Taking part in the folk dance were Pasty Harden, Darlene and Evelyn Dike, Tommy Crozier, Rickey Snider and Billy Mooney. Pianists for the choruses were Misses Beth Theaker and Ruth Rutledge.
At the conclusion of the program Mrs. Pearson asked Miss Armstrong to the platform. Lorna Thompson of the Mount Albert senior room very ably expressed the thanks of the pupils and teachers to Miss Armstrong and Valerie King of No. 12 East Gwillimbury presented Miss Armstrong with a beautiful English bone china cup and saucer. God Save the Queen was played by Betty Rolling after Miss Armstrong had expressed her thanks to her girls and boys and the teachers.

QUEENSVILLE
Mrs. W. Bala of Toronto spent several days at the Hulse home. Rev. and Mrs. E. V. Warren and family are holidaying at their cottage in Haliburton.
Messrs. Jim and Ralph Foster have returned home after attending the Calgary stampede. Mrs. R. Sennett and Gloria returned on Sunday with Mr. and Mrs. Frank Sennett to spend a holiday in Detroit, Mich.
Mr. and Mrs. John Pinder spent the weekend with Mr. and Mrs. Ken Davis at their cottage in Haliburton.
Mr. and Mrs. Joe English of Toronto are spending a few weeks at their home here.
The W. T. Huntley family spent Sunday with Mr. and Mrs. E. Stickwood at Gilmore.
Miss Marilyn Miller and Messrs. John Menzie and Joe Winston, all of Toronto, spent Sunday with Miss Hilda Andrews.
Mrs. Ken Jones and Karen of Markham spent a few days with her sister, Mrs. C. Milsted.
The library will be closed on Friday night, July 18, but will be open again on Friday night, July 25.
Mr. and Mrs. Geo. Pearson are holidaying this week with their daughter, Mrs. Reg. Button and family, at Twelve Mile Lake, near Minden.
Rev. A. Millar of Newmarket will be preaching at 11 a.m. on Sunday, July 20, in Queensville United church. Sunday school will be held at 10 a.m.
Ladies, please notice the change in date in the Institute meeting. It will be held a week earlier, on Wednesday, July 22, at 2 p.m., at the home of Mrs. S. Eves.
Will those ladies who are canvassing for food for the rink cafeteria for our sports day please bring your lists to this Institute meeting.
Mrs. Middlemass of Portage La Prairie, Man., is visiting her son-in-law and daughter, Mr. and Mrs. Eric Denham and family.
Mr. and Mrs. Denham and family of Manitoba are also visiting the Denham family.
Cliff Burkholder is spending six weeks in the city, time-keeper for the Thorncliff horse races.

KING FAMILY HAS ANNUAL REUNION
On July 1, 1952, at Mount Albert park, the 23rd King reunion was held with about 70 present.
Mrs. Jordan was the oldest lady present and Mr. Ted King the oldest man. Murray King of London, son of Rev. and Mrs. King, Belhaven, came the longest distance. The guess on the number of beans in a jar was won by Mr. Hill who guessed 2,365.
Mrs. Fred King was reappointed to look after the supplying of ice cream next year and the same persons are in charge of the games and sports.
Doris King was reappointed president, and for her effort in making it such a worth while gathering, she was presented with some very nice gifts. She made a suitable reply thanking everyone for their help. Frank Kirtin is secretary.
The day finished with a ball game. The reunion next year will be held at the same place on July 1. All wish to thank the Mount Albert board for the use of the park.

**Humane Society Gives
Dog Control Policies**

The following statement was
issued by officers of the North
York Humane Society this week:
"The North York Humane So-
ciety has been picking up dogs,
which are not under control, and
as a result, there has been criti-
cism in some quarters.

It is hoped that the following
statements will give a clearer
picture of the situation and just
why and what is being done.

The town of Newmarket, as
well as Aurora and Richmond
Hill, have given grants to the
North York Humane Society for
the control of dogs in their mu-
nicipalities after citizens pro-
tested the number of dogs on
the loose, which were causing
damage to property and endan-
gering children at play.

Notices were printed in local
papers informing the public
that dogs must be confined but
not necessarily tied as long as
they were in control of a re-
sponsible person. A number of
people have disregarded this
warning and it has been neces-
sary to pick up these dogs.

It was also stated that a fee
of \$2.00 would be charged for
any dog running at large and
taken to the shelter. If the dog
does not have a license, it must
be paid before it is released. Ap-
parently this has been misun-
derstood and there are rumors
that exorbitant fees are being
charged.

Inspector Jameson calls every
owner whose dog possesses a
tag and informs them that their
dog is at the shelter and upon
payment of the required fee will
be released to the owner. If a
dog is picked up without a li-
cense, the owner must call the
shelter, since they have no way
of knowing to whom it belongs,
so owners are asked to get their
licenses as soon as possible.

If for some reason, an owner
is unable to go to the shelter
during the regular hours from 4
to 6 on the day he is informed
that his dog is there, he is re-
quired to pay an extra fee of
25c per day. An unclaimed ani-
mal is kept for three days and
then becomes the property of
the society.

Due to the many duties carried
on by the inspector, such as ani-
mal control, emergencies where
animals are injured, complaints,
inspections for cruelty, etc., all
dogs have not yet been licensed.
Mr. Jameson has called at a
number of homes, but some peo-
ple were not at home and have
not procured their licenses.

In answer to protests that the
distance to the shelter is too
great, it is pointed out that li-
censes were due on April 1 and at
that time were payable at the
clerk's office, yet only 39 people
had bought theirs up until the
time the society took over. How-
ever, because the people do find
it difficult, it is hoped to have
a group of canvassers covering
every house with applications
and tags.

If an owner is not at home or
unable to pay at that time, they

may mail the application with
money order or check to the
North York Humane Society or
present it in person. These
must be paid within ten days of
presentation. All canvassers
will carry identification cards
which will be shown on request.

The aims and objects of the
Animal Control Division are:

1. To curb the danger of
stray, dangerous, hungry, dis-
eased and vicious animals from
wandering aimlessly about the
town;

2. To rescue pets or animals
that are running loose in the
streets and to all appearances are
lost or strayed, and to shelter
and care for these pets or ani-
mals until they are claimed by
their owners.

The co-operation of dog own-
ers is urgently requested in the
dog control measures being tak-
en as only in this way can the
society fulfill its contract.

MOUNT PISGAH

Mr. and Mrs. William Ash
were at Malton airport on Mon-
day of this week to welcome
their uncle, Mr. William Stan-
ford, of Bedford, England. He
will visit here for about a week
and then go on to Saskatchewan.
He expects to be in Canada
about two months.

The Sunday school and com-
munity picnic at Ratcliff park
is to be on Friday, July 18. The
whole community is cordially in-
vited.

Mrs. Margaret Acey returned
to Pembroke on Saturday of last
week.

Mr. and Mrs. Roy Howlett ac-
companied the S. Eade and
Mackey families on a picnic to
Island Grove, Lake Simcoe, on
Sunday.

Mr. and Mrs. Norman Roll-
ing, St. Thomas, visited Mrs.
Lydia Howden recently.

Mrs. Jane Noble is visiting
her sister, Mrs. R. Wilton, for a
few days.

Miss Marie Minns, Toronto,
has been on a two weeks' holi-
day with her grandparents, Mr.
and Mrs. Frank Minns.

Mr. and Mrs. Lloyd Deeks and
family, Kitchener, were week-
end guests of the Norman
Browns.

Mrs. Frances Price visited her
daughter, Mrs. Place, and hus-
band, Harold, at Waterdown,
last week.

Miss Sheila Ash is on a week's
holiday with Mr. and Mrs. Jas.
Ash at Holt.

Mr. and Mrs. Harold Johnston
of Midland were Sunday visi-
tors of Mr. and Mrs. C. A. Mont-
gomery. Mrs. Montgomery and
Mrs. Johnston are sisters.

Mr. Joseph. Helmky, St.
Catharines, is visiting his daugh-
ter, Mrs. Russ. Elias, and family
for all of this week.

Mr. and Mrs. Roy Howlett at-
tended a birthday party in honor
of Mr. Charlie Fagan at Rich-
vale on Saturday evening, July
12.

Mr. and Mrs. George Boynton
and family visited Mr. and Mrs.
Jack O'Sullivan and family at
New Toronto on Sunday. It was
a family re-union.

Miss Alma Carlisle is spending
the latter part of this week with
the Boyntons and leaves for
London, England, next week.

Mrs. Ben Wideman, Mrs. Ar-
thur Blaney, and Miss Jessie
Godfrey, all of Toronto, and
Mrs. Albert Adams of Detroit
spent all day of last Thursday
with Mr. and Mrs. Frank Minns.

**Hold Back Wheat
Federation Urges**

Wheat producers should store
and hold off the market as much
of this year's crop as possible in
the weeks immediately following
harvest and should market the
wheat at regular intervals dur-
ing the year, York County Fed-
eration of Agriculture an-
nounces.

Experience has shown that
when heavy post-harvest mar-
keting floods the market, prices
to producers slump drastically.
Many farmers feel that last
year's relatively satisfactory
prices for Ontario winter wheat
resulted from producers holding
their wheat for orderly mar-
keting.

The Federation is making this
recommendation following an
examination by the Ontario
Wheat Producers Association of
wheat prices and crop prospects
in all parts of the world. While
it is impossible for anyone to
predict 1952-53 wheat prices,
farmers should know that ex-
perts predict smaller crops of
Ontario winter wheat and
coarse grains this year so that
wheat should level out at about
\$2.20 following the normal slump
at harvest time.

Wheat should be marketed
with as low a moisture content
as possible.

**North Gwill. Prepares
For Big Sports Day**

Sparked by an exciting ball
tournament and a seven-team
tag-of-war challenge round, the
first annual North Gwillimbury
Sports Day will get underway
at the North Gwillimbury Mem-
orial Centre, Keswick, at 2 p.m.
on Saturday, Aug. 23. Net pro-
ceeds of the event will be in
aid of the North Gwillimbury
Memorial Centre.

A draw for five big prizes, an
afternoon of children's races in
which children of all ages from
four to 74 will compete, a gala
dance, and the kind of cooking
that mother still makes, will
feature the big day. There will
be games of skill on the grounds,
presided over by the Optimist
club.

At 1 p.m. a giant parade will
get under way, and the merchan-
ants of Keswick are decorating
the community in carnival spirit.
"It looks like Saturday, Aug.
23, will be a day to mark in red
on your calendar," said A. R.
Pollock, chairman of the Sports
Day committee. "We're really
looking forward to raising a lot
of money for the Memorial
Centre, and giving everyone a
lot of fun at the same time."

HONOR REV. C. G. PARK

The congregation of Victoria
Avenue United Church of Chat-
ham honored their pastor, Rev.
C. G. Park, recently by making
him a gift of silver. It marked
the pastor's 25th year in the
ministry and also the 25th wed-
ding anniversary of Rev. and
Mrs. Park who will be remem-
bered by many in Newmarket.
Mrs. Park was the former Miss
Aleta Brodie, daughter of the
late Mr. and Mrs. Walter Bro-
die of Newmarket.

IMPROVE EQUIPMENT AT CAMP

A record job was accom-
plished last week in the installation
of a new up-to-date propane
cooking unit and hot water sys-
tem at the North York Boys'
and Girls' camp at Ashburyton.
The equipment, consisting of
two ranges, and large automa-
tic water heating unit, was or-
dered on Tuesday and installed
on Thursday of the same week.
A chlorinator has been or-
dered and will also be installed
as soon as possible.

This much needed equipment
was purchased at a cost of ap-
proximately \$800.

This has been a major expense
to the treasury this year and
donations will be gratefully re-
ceived by treasurer, A. MacKay,
manager of the Bank of Toronto,
Newmarket. The co-operation
of the camp staff was greatly ap-
preciated in this emergency.

These improvements have
been under the supervision of
the chairman of the board, Elgin
Evans of Newmarket.

"My F.I.L. was a good investment"

"I invested my loan in new machinery that cut my operating costs and increased my yield per acre. These new profits are paying off my loan now and building a nest-egg for the future."

FARM IMPROVEMENT LOAN
YOU can do this too. Farmers and their Bank of Toronto managers are teaming up all across the country to put Farm Improvement Loans to work. Find out how a Farm Improvement Loan can help you buy new implements or breeding stock or develop your farm—your local Bank of Toronto manager will gladly give you full information.

Pages from the Editor's Notebook

We visited Eildon Hall on Sunday and found the new York County park property a lovely place for a family picnic. There is a large meadow sloping to a tree-rimmed shore with ample space for large gatherings. The swimming is safe. There is a refreshment stand on the grounds and convenient water supply.

In the old home, there is a tea-room and a museum. In the old barns, horses can be rented by the hour and there are several hundred acres in which to ride. There is a lot of work yet to be done at the park but even now, it offers a comfortable and safe picnic ground.

During the discussion in York county council over the purchase of the park, there was some doubt that the north end of the county should have to share in the costs of providing a recreation ground for south end residents since it was argued that these were the people who would most benefit by it. We're not so sure. We counted three Newmarket family gatherings within easy hailing distance, and recognized the cars or trucks of other families from this area.

There is no doubt either of the need of the park after a weekend like the last one. The roads were jammed with refugees from the heat. What public space there was in North Guilford and Georgina was quickly filled. Even the ample grounds of Eildon Hall were filling rapidly by the middle of the afternoon.

We followed closely the Republican convention over the radio, even going to the extreme of sitting up to three and four in the morning to hear the sessions at which the keynote address was given by General MacArthur and the Georgia and Texas delegations were voted upon.

It was a fascinating event. It was possible to trace the course of a quiet revolution in the party's ranks as the younger Republicans gradually took over from the Old Guard. But quiet as it was, it left a residue of bitterness which the New Guard will have to work hard to heal.

We don't think there is much doubt that there will be a Republican president in November. It is a matter of intense interest to Canadians because of the prominent role the U.S. plays in world leadership. The Republicans in the past have been tarred by isolationism and by a narrowness of viewpoint which has in the past worked incalculable harm to world relations.

After hearing the convention, we don't think the world has much to fear from a Republican president in his next term, not when that president is General Eisenhower, and the party he represents shows such evidence of outward looking policies as it did at the convention.

We have had word from the York County weed inspector, Mr. Frank Marritt, who says that we drew the wrong conclusions in our editorial last week about roadside spraying for weeds. We complained that spraying was destroying the beauty of many of the district's roadsides. Why spray the trees? we asked. The answer, according to Mr. Marritt, was that in some of the instances we mentioned, overhanging foliage was a menace to travel; in other cases, the trees were "weed-trees" and served no purpose; and finally, that the destruction of the trees was necessary for road maintenance.

Well, they were convincing arguments.

From the Files of 25 and 50 Years Ago

JULY 15, 1927

If your dog does not carry a 1927 tag, don't growl if you have extra to pay to take it out of pound.

July 28 is the date set for the Toronto Telegram's picnic for Disabled Soldiers of the Great War and contributions are asked from Newmarket citizens for this annual event. Last year Newmarket contributed a helpful sum and we trust the citizens this year will repeat in an even more generous manner. Contributions may be left at Harvey's Book Store until Wednesday, July 20.

Last Saturday, when coming north on the Canadian National Railway, the engineer of the train noticed some stones about the size of a man's fist on the rail near the first whistle post south of Water St. He did not have time to stop the train and when the engine struck the stones they flew over the fence and nearly struck some boys who were standing at the fence. With the force that the stones would leave the rails there is no doubt had any of them been struck they would have been instantly killed. This is a dangerous practice and parents should caution their boys against being on the track at all. We are informed by the railway officials that if this occurs again the company will take action and an example will be made of any offender, no matter who he is.

The annual picnic of the Newmarket Fire Brigade will be held next Saturday at the Oddfellow's camp on the Keswick Beach. A large number of prizes have been donated by our merchants and business people and if the weather is favorable there will be a large attendance and a good time is assured.

JULY 18, 1902

Last Monday Mr. Thos. Ronan of this town, in company with Mr. W. H. Johnston of Pefferlaw, county councillor, and Messrs. C. K. Johnston and T. A. Armstrong, got a sailboat from Mr. Jas. Cornwall at the mouth of the Black River and proceeded to Georgina Island, where they succeeded in hauling from 1½ lbs. to 4 lbs. 8 oz., the actual weight of the heaviest. The party is loud in their acclamations of praise to Mr. and Mrs. Cornwall, who entertained them at supper on their return.

The open air concert given by the Citizens' Band on the Primary school lawn last Friday night brought forth quite a crowd, who were greatly delighted with the program rendered. This evening the band is scheduled to play on the Waterworks lawn.

Sutton stage had a breakdown on the Queensville flats on Monday and had to borrow a rig to complete the journey. Frank Brunton, son of Mr. W. A. Brunton, while summering at Roche's Point, ran a nail into his foot, but we are pleased to say he is getting all right again.

Mr. Ed. Jackson's pacer won second money at Windsor last week.

Seymore Evans, employed in the Specialty Works, had the end of his finger taken off last Thursday afternoon while stamping out handles with a pressing machine.

The last trolley car coming in on Saturday night ran into a cow this side of Aurora and knocked it into the ditch.

An attractive sign on the old North American property tells the public that the Sovereign Bank will occupy the premises when completed.

THURSDAY, THE SEVENTEENTH DAY OF JULY, NINETEEN HUNDRED AND FIFTY-TWO

PERMANENT FIRE BRIGADE

Last week, council members discussed the possibility of a permanent fire brigade for Newmarket. A major advantage, apart from facilitating answers to fire calls, was a saving in fire insurance rates. On Monday, members of council met with fire underwriters and it was found that the saving would amount to five cents a hundred dollars. It was also found that this saving would not be immediate since a large proportion of the policies have some time yet to run.

We don't know if council will abandon the idea because of the comparative smallness of the saving against the cost of a permanent brigade but we have always thought that having at least one man on duty during the night was a sensible precaution. Those few minutes saved in getting the truck rolling could mean a big difference at a fire.

Newmarket is still too small, we think, to afford a full-time brigade. The volunteers have acquitted themselves well in the past. If they were reinforced by one or two permanent men for night duty, the brigade's arrangements would be adequate for the size of the town.

VALUE OF BIRDS

Some days ago, remarking on a resolution passed by the Women's Institutes urging that fence-rows be cleaned out in an effort to halt the spread of weeds, we cautioned against a too thorough stripping of the land because it would help drive away birds. We have received a clipping from Mrs. J. Hilliard of Toronto which enlarges on the advantages the farmer enjoys as a result of an abundant bird-life.

It is noted that a "night-hawk has been known to eat 500 mosquitoes at one meal; a Maryland yellowthroat ate 3,500 plant lice; a cuckoo ate 500 caterpillars, and a scarlet tanager ate 630 gypsy moth caterpillars.

"Though we are not immediately concerned with this part of their diet, we certainly owe the birds a debt and one which we can best pay by providing for their needs naturally. Supposing they do steal a part of our cherry and strawberry crops, let's plant more cherries, so that there will be enough for birds and man. It may be very cheap insurance. Horticulturists and fruit farmers have in recent years found the ravaging field mice a terrifying pest in winter, and we are glad to see the snowy owls coming back. May their number increase. It is not many years back that bounties were paid for shooting hawks because they occasionally raided the chickens, but we are paying a much bigger price now. We have to do something to save the birds."

FARM PROSPECTS

A survey of crop prospects in Canada shows them to be "promising". Generally speaking, crops are showing up better than average in quality and quantity, although down from last year. In Ontario, however, the weather has caused some set-backs, and a substantial drop in farm cash income is anticipated.

Here is how Ontario prospects shape up: A dry, windy and cold June was general, holding back seeding. Price of beef is down but many herds are being held in pasture to await the lifting of the U.S. embargo. Spring grain was badly hit by the cold weather with the crop estimated at about 70 percent of normal. A high quality hay crop is estimated at about 80 percent of normal while fall wheat expectancy runs about 85 percent of normal.

In general, vegetable prices are higher but fruit prices are low because of high imports or carry-overs. Strawberries were hard hit and the canning of peas and tomatoes is expected to be down. Tobacco acreage was cut by a third but soy bean demand is good. Clover crops are only slightly below average. With low egg prices, less chicks are being hatched. Hopes for later crops are higher if the weather holds good.

This survey, which was taken from The Financial Post, will have an important bearing on the national economy. It can forecast, for those prepared to accept it, some idea for future sales of manufactured items. The farm market is a major market for manufactured goods, but the farmer does not necessarily have to buy. If he lacks the cash returns from which to make purchases, he can simply live within his own resources until another year or a good crop.

But we quote these prospects more for the information of organized labor which seems to be girding itself for another round of wage increases, the cost of which will be paid by the consumer. There is no benefit for labor if they price themselves beyond the range of the farm market. Higher wages are always welcome but if the goods aren't selling, men are laid off.

It should be noted too that while the national farm picture generally is promising, uncertain weather could change that picture overnight.

RAIL STRIKE PROSPECTS

From Fort Erie Times Review

The spectre of the railway strike of 1950 will haunt the conference rooms when the latest demands of the non-running (non train-crew) railway tradesmen are discussed. The unions want wage increases averaging more than 30c an hour. The 1950 strike was settled for seven cents an hour, plus a shortened work week.

It is, of course, standard practice for union bargaining committees to demand, in the first instance, more than they expect or would be willing to settle for. But with memories of two years ago still green, the disquieting question is — how far will the unions retreat from the initial demand?

Even more disquieting is the precedent set in 1950. This time the public cannot reassure itself by saying "But of course they'd never really strike — the railways are too important to the country to be shut down."

It is no pious platitude to express the hope that realism and common sense will be allotted places of honor when the discussions begin. With a noticeable levelling-off of prices, the strongest case for higher wages has collapsed; but on the other hand, management should take into consideration that the entire Korean war inflation has taken place since 1950, and some adjustment in wages is probably indicated.

YOU CAN'T EAT GOVERNMENT BONDS

From The Rural Scene

When the unemployed need food, clothing or anything else, the employed must produce it for them. There is no way to provide for the consumption of anything except by the production of it, despite the widely held belief that cash or credit makes possible the consumption of things that are unproduced.

The more than seven million unemployment insurance fund of the Dominion Government is invested largely in government or government-guaranteed bonds.

When the government gives these funds to the unemployed in cash they buy what has been produced and stored but when this is consumed the people then remaining in employment must produce enough for themselves and for the unemployed. The unemployed are not required to work at the production of food for themselves. They are in fact, privileged to remain idle while farmers produce enough for everyone.

The cost of providing food for the unemployed thus is added to the cost of the means of production which farmers employ in growing food. Unemployment insurance regulations, which say that an unemployed industrial worker need not work, provide automatically that farmers shall work more for less.

PEOPLE ARE CONSUMERS

From the Printed Word

Recently a printers' union asked the Ottawa government not to let any immigrant printers into Canada unless the union said so. If the members of the printers' union were native Indians or Eskimos there might be more logic in this idea. But most Canadians are either immigrants or descendants of immigrants. Who are Canadians to argue against letting in more of their own kind?

The Indians lost the continent and, indeed, the hemisphere, because they were poor and few. Canada is not very rich, even yet, and Canadians are so few that a well-organized invasion and pre-emption is not beyond the bounds of possibility.

Canada's immigration policy is unwisely restricted because this broad country needs people — more people of all classes, occupations and skills, with willingness to work. While one hears of unemployment in some industries, the fact is there still is need for workers. House-building is slower this year than last, but a carpenter to fix a fence or veranda is hard to come by. Are they all living on the unemployment insurance that was increased the other day?

Office Cat Reports Catnips By Ginger

Tempo on Main St. is usually affected by the weather, the relationship in time to the trade fair dates, the number of parked cars and the number of farmers or lake cottagers in town.

This week the hydro men were transferring the wires from the old hydro poles onto the new ones. There was real interest in this operation and it affected the merchants as would a hot stimulant, or cool.

Activity of this sort relaxes the tension. You can listen to comments on how the crew should be going about the job. The merchants forget, for a time, that business is slow.

Many of the storekeepers come out and stand watching on the sidewalk and it looks as though there are more shoppers in town than there are. The business pace quickens.

I have watched this happen before. One Monday morning a kitten had climbed onto a store awning and lacked the courage to come down. The word soon travelled from store to store and there was great concern.

A young bravo who feared no one nor naught, cornered a step ladder and rescued the mewling kitten from its perilous position.

The young bravo, a grocery clerk, turned a fixed grin on his face, like a politician turns on a T.V. smile, and descended among upturned faces. Bravo received applause from the group and a cat-call from another grocery clerk.

This very incident altered the tempo of the Main St. pace. The merchants went back to business, gay extroverts that they ought always to be.

But there have been some blue and morbid business days with long gaps in the parking areas and a few listless individuals walking around and merchants turning old before their time.

On a particularly quiet day, I recall, a group of merchants sobbed on each others' shoulders at the post office corner.

"It's these obscene parking meters, I tell you. They are ruining our town," cried one.

"No," another disagreed. "Tain't them parking meters what's doin' it. The town's just goin' down hill. I tell you, we need more industry. Why doesn't the town council get us another industry or two? What is we electin' them for?"

"You're both wrong. It's a trend. Trends is somethin' you can't do nothin' about," another said. "Frankly, I'm not worried at all. What I'm waitin' fer is the seaway. Wait till the seaway comes through and business will boom. All's we gotta do is sit back and wait for 'em to build the seaway."

"Well, a traveller told me that the depression was coming," said a store owner. "He says he sees it all over. You can tell the way he nods his head knowing like that he has his finger on it."

Each merchant had a reason for business being slow. They all departed, satisfied that they had rationalized the whole thing and had certainly told the others what was what.

A dog barked on the water works lawn. You could hear at the post office. You could hear the crow of a rooster from a distant farm. This was really quiet.

I could hear the drip of water as a window cleaner wrung mop into a pail of water at the Provincial Police office, Ma at Botsford.

Someone sneezed on the street and the heads of the merchants popped out the front doors.

As my barber says, "Sow days is good and some days bad, that's the way I see it."

by "Dairy Farmer" The Top Six Inches

We have been reading about pasture improvement, clipping and fertilizing for many years, but it takes an actual personal experience to convince one how much difference there is between this pasture and that. Around here we have been pasturing our cattle on just about anything. Some of it is natural meadow, very suitable for early spring because it is solid and doesn't tramp too much. Some is so-called permanent pasture established about three seasons ago, and is doing quite well.

This spring we have sown a small piece of permanent pasture with perennial ryegrass as cover crop. It had a real good start early in the spring and the last couple of showers kept it coming along. Originally we didn't intend to pasture it until fall, if at all, but the hot weather made us decide to turn into it occasionally. The result was amazing. Our production went up considerably and the cows were really full.

We think there is a very important lesson in this somewhere. The factor that influenced that increase of milk flow, of course, was fresh, young palatable pasture. The question is how to get this all through the season. After all, in an agricultural economy of declining prices, we might as well face up to the fact that we have to increase the efficiency of production, because we will not get any relief from increased prices or decreasing costs.

If grassland farming is the solution, as many think it is, then it means that we are trying to do something in this part of the country for which our climate isn't really suited. Our rain and snow fall is violent and sudden and plenty, but it isn't well enough distributed through the growing season. Good pasture weather very good means good hay weather. In grassland farming, we have to have both. One could try dry hay inside if necessary. But what is more important to make grass grow outside through the season.

Clipping can do some so can extra high fertility, varieties of grasses and ring pastures. We believe the present trend to grass farming will eventually lead to irrigation of pastures. rule one can get two cro hay under our condition some fields. If the first cut into the silo, one can always that much. We believe that tating small lots of pas changing every four or days and irrigating in turn be the solution of the price and cost of prod business.

If we can add to this drainage work and some attempts at lengthening the ture season, we could remove the most im obstacle in way of el milk production.

Of course, the argume be put up of where is the going to come from fe Well, we don't know. We know how much it wou We don't know how muc it will require and what ment it involves. But know that it could be portant project for some investigate. We would see some work done on some institution and so would like to see the vestigated and the n work done that can onl; be accomplished by people for it and by agencies able to finance it.

PROCLAMATION 1952 CIVIC HOLIDAY

Whereas at a meeting of the Council of the Corporation of the Town of Newmarket held on the 7th day of July, 1952, it was resolved:

"That Monday, August 4th, 1952, be and the same is hereby fixed as the Civic Holiday for the current year, and that the Mayor be authorized to publish the usual proclamation in connection therewith."

These are, therefore, to make known that in compliance with the foregoing resolution I do hereby proclaim **MONDAY, AUGUST 4, 1952, as the CIVIC HOLIDAY** for the year 1952, of which all persons are hereby requested to take notice and govern themselves accordingly.

News Of The W.I.

News for this column must be in the office Monday night. Copy must be written as briefly as possible and confined to news and reports. Other than routine reports and announcements will be printed separately.

Pine Orchard branch met at the home of Mrs. A. Baxter on Wednesday afternoon, July 9. It was decided to hold the grandmothers' meeting at the home of Mrs. Ross Armitage on Wednesday afternoon, Aug. 20. Committee is Mrs. G. Harmon, Mrs. J. Pyle and Mrs. H. McClure. Mrs. Bertrum Dike had charge of the program. Miss Leonora Starr of Newmarket gave an informative and well prepared talk on "Bill of Human Rights of the United Nations". A good old-fashioned sing-song was enjoyed by all. Lunch was served by historical research and current events committee.

A business meeting of the Gormley branch was held at the home of Mrs. R. C. Baycroft on Friday evening, July 11. There were ten members present. Plans were made for a baking sale to be held the weekend of July 25 and all donations to be left at Mrs. Bernard Kays.

The July meeting of the Gormley branch will be the annual grandmothers' picnic and will be held at the home of Mrs. Ern. Smith on Wednesday, July 23. Motto: "Woman is a force in history", given by Mrs. Jack Gamble. Mrs. James MacDonald is to be in charge of the sports. All are welcome and everyone provide.

The picnic meeting of Lasky branch was held on the lawn of the president, Mrs. Norman Egan, on Tuesday afternoon, July 8. There were 17 adults and 33 children, most of them under 10 years. This is one time in the year when there is lots of fun for everybody. The children have games and races and everyone receives a prize. The adults also have a try-out.

Mrs. Jean MacMurchy won the carry-a-bean-on-a-knife contest and the lucky spot prize. One of the ladies won the prize for having the largest waist-line. Mrs. Edith Cairns won the two-minute race. This is a real gamble too, because you must walk the farthest distance in 2 minutes. The sports committee was Mrs. Bill Fuller, Mrs. Geo. Forster and Mrs. Lorne Scott.

When the roll call was asked regarding a favorite summer resort, nearly all answered "present", a few said "home". Mrs. Marvin Hunter developed the motto, "A man soon learns how little he knows, when a child-

begins to ask questions." Refreshments and ice cream were served.

The Queensville branch will meet on Wednesday afternoon, July 23, at 2 p.m. at the home of Mrs. Stanley Eves. Motto: "You have to do your own growing, no matter how tall your grandmother was." Roll call: "What I like most about this month."

Program: This program is in the charge of the Club Girls, Miss Marion Eves, convener. Ladies, please note the change of date because of plans for our annual Sports Day.

Will all those who are canvassing for food for the rink cafeteria please bring in your lists to this meeting? Thank you. It is important that all Blue Cross subscribers be present at this meeting because a unanimous decision has to be given by August 1 regarding a change of plan and rates.

Aurora branch will hold their annual picnic on Thursday, July 24, at Mrs. Ough's cottage, Glenwood Beach, Lake Simcoe. Bus leaves Kennedy St. at 1 p.m., stopping also at Wellington St. and Mark Ave. Please bring your own cups. For any other information please call Mrs. Monkman, phone 499j.

The Mount Albert branch held their regular meeting in the hall, June 19, with the president presiding. Roll call was answered by naming a flower starting with the initial of your name. It was decided that Mt. Albert branch sponsor the project "Speaking" in Women's Institute meetings part 2 and that other branches be invited. Mrs. Donald Stiver was nominated to represent our branch on the Ladies' Auxiliary of the Hospital Board.

Mrs. Kurtz read a letter from the auxiliary and asked for donations or other articles. The Institute has sponsored the dental clinic for the school and as our year was finished it was decided to leave this over until next meeting to see if the Institute would still carry on with this work.

Mrs. Martin and Mrs. MacDonald took charge of the program. Lois Martin played a piano solo. Mrs. Martin responded to the motto: "Learn to know the common things." We were favored with some music from Miss Broad's school children.

Our guest speaker was Mrs. Ross Armitage and she told us many interesting things regarding her trip to Ohio where she was sent as a delegate for the Federation of Agriculture. She said the Federation does a grand work for betterment of the community and that if we take office we should be willing to accept responsibilities. She said if the Federation had been better organized at the time of the depression times would have been much better and that the States are better organized than we are in Canada.

Mr. Moorehead told about her trip to England. This was the second talk she gave us. A vote of thanks was given Mrs. Armitage and the meeting closed with God Save the Queen, after which a dainty lunch was served.

HOLD TALENT TEA TO ASSIST CHOIR

Mrs. Albert Needler and Mrs. Bernard Lee gave a second talent tea on Wednesday, July 9, at the home of Mrs. Needler, Prospect St., Newmarket. They had a wonderful turn-out to the tea with the result that they were able to add \$23.50 more to the Christian Baptist church choir-seat fund, which makes a total of \$36.25 from both teas, and donations still coming in.

They wish to thank all those who helped make the teas the happy, successful events they were, and would like to make special mention of the help given them by Mrs. Ernest Winter, and Misses Margaret Winter, Patricia Quinn and Marilyn Lee.

Mr. and Mrs. Thomas B. Dolson are pictured following their wedding in King United church. The bride is the daughter of Mr. and Mrs. Clifford Chant, Schomberg R. R. 1. The groom is the son of Mr. and Mrs. J. A. Dolson of Bolton.

Weddings

TRAVIS-WALKER
At Mount Albert paragon, on June 14, Jean Evelyn Walker, youngest daughter of Mr. and Mrs. John Walker of Mount Albert, became the bride of Bruce Douglas Travis, son of Mr. and Mrs. Roy Travis of Belhaven. Rev. C. P. Shapter officiated at the ceremony.

The bride was gowned in white nylon net over tulle which was trimmed with French lace, and fashioned with round neck and puff sleeves. Long white mitts and a string of pearls completed her costume and she carried a bouquet of Pink Delight roses and yellow mums.

Norma (Betty) Harrison attended, wearing yellow tulle and carrying yellow mums. Henry Harrison was groomsmen. At the reception held at the bride's home, the bride's mother received in powder blue rayon and nylon crepe with white and navy accessories and corsage of yellow roses. She was assisted by the groom's mother wearing a printed crepe dress with black accessories and corsage of pink roses.

For their trip to northern and eastern parts of Ontario, the bride chose a dress of navy sheer trimmed with white, white accessories and a corsage of red roses.

Guests were present from Hamilton, Keswick, Uxbridge, Newmarket, Aurora, Belhaven, Mount Albert and Toronto. The couple will reside at Belhaven.

CASE - WILSON

With the golden rays of the sun falling upon the happy couple, King City United Church was the scene of an exquisite wedding on Saturday evening, July 12, when Patricia Arlene, daughter of Mr. and Mrs. Merwin A. Wilson, became the bride of Howard Dunbar Case, of Barrie, the son of Mrs. R. A. Fleming of Toronto and the late Clifford J. Case. Solemnized by Rev. Martin Jenkinson, the ceremony was performed in an all-white setting. Standards held white gladioli petals, delphinium, shasta daisies and baby's breath. The guest pews were marked with dainty sprays of royal blue cornflower, baby's breath and white ribbon.

Mrs. Ewart Patton was organist. Donald Watson of Toronto, sang "The Lord's Prayer" before the ceremony and "Because" during the signing of the register.

Given in marriage by her father, the young bride was lovely in a bouffant gown of white swiss eyelet organza over white tulle, styled with etched wing collar. The pointed yoke corresponded with the pointed fitted bodice. The dolman sleeves were bracelet length with wing cuffs and she wore eyelet bracelets. From her matching pill box hat, accented with pearls, fell her fingertip veil of tulle illusion. She carried a white colonial bouquet of gladioli and carnation petals, sweet peas and baby's breath.

Ruth Wilson was her sister's bridesmaid, wearing a gown of white swiss eyelet over cornflower blue tulle. The bouffant costume was styled with wide shoulder straps, and tight bodice. She wore a matching cloche hat and carried a colonial bouquet of white gladioli petals, royal blue cornflowers and baby's breath.

The groom was supported by his brother, Clifford, and the ushers were Bill Babcock and Palmer Dique, the bride's brother-in-law. The groom and attendants wore navy suits and white carnation boutonnieres. The reception was held at Graystones, Aurora. In the receiving line, the bride's mother

OBSERVE 50 YEARS IN MINISTRY

On Sunday morning, June 29, the guest preacher at Queensville United Church was Rev. J. A. Millar of Newmarket. In addition to the regular congregation a number of friends from Newmarket, along with relatives of Mr. Millar, were present to join in worship and to share in the celebration of an important anniversary.

On June 29, 1902, Mr. Millar was ordained into the Christian ministry; 50 years of service to the church, a milestone which comparatively few reach.

The text of the sermon was from John 12:21, "We would see Jesus".

Since he began his ministry 50 years ago, Mr. Millar said many changes had taken place in the world—the introduction of the automobile, X-ray, vaccines, antibiotics, radio, television and other discoveries in the scientific field. Had our progress in the spiritual realm kept pace?

Mankind needs a realization of the presence of God. He needs to grasp the meaning of eternal life, the gift of God, to be had by living one's life for others—the love of life being directed instead to a life of love. The greatest thing in the world is love and the friendship and the service which it inspires.

During last year about ten million tourists from the United States visited Canada and upon being questioned as to their reason for doing so, more than half replied that they had come to our country upon the advice of friends. The influence of 5,000 Christian people telling others of their beliefs would be stupendous. Christians do not talk freely enough of their Christ.

The closing note in a very inspiring sermon was a challenge to service. There are many still to be won to Christ and there is much to be done to make the world a better place. Mankind needs to be awakened to a realization of service to be rendered. It is only by "hating his life that he can keep it unto life eternal".

The choir, under the direction of Mrs. Harry Morton, rendered an anthem "Stand up for Jesus".

Immediately after the sermon Mr. Murray Huntley sang very feelingly "The Stranger of Galilee," which was beautifully appropriate to the theme of the sermon.

FRIENDS SHOWER LANDING BRIDE

Miss June Foster who became the bride of Frank Nelson, Holland Landing, on Saturday, July 12, was the guest of honor at a miscellaneous shower on Thursday, July 10. Held at the home of Mrs. Wallace Bassett, there were about 25 present.

The room was attractively decorated with pink, white and blue streamers. The honoree was the recipient of many lovely gifts and following the opening of the presents, a dainty lunch was served by the hostess. She was assisted by Mrs. Raymond Yake.

THE KINGDOM OF GOD - THE DIVINE SOLUTION!

Preparatory to the return of Jesus Christ, the proclamation goes forth among the Gentiles: "Prepare war, wake up the mighty men, let all the men of war draw near, . . . beat up plowshares into swords, and your pruninghooks into spears: let the weak say, I am strong. Assemble yourselves and come, all ye heathen (nations) . . . thither cause Thy mighty ones to come down, O Lord (Joel 3:9-11). The Lord judges the nations in the valley of Jehoshaphat (v. 13). "The Lord also shall roar out of Zion, and utter His voice from Jerusalem; and the heavens and the earth (the rulers and the common people) shall shake; but the Lord will be the hope of His people, and the strength of the children of Israel." - (v. 16).

In Isa. 26:9 it is written: "With my spirit within me will I seek Thee early; for when Thy judgments are in the earth, the inhabitants of the world will learn righteousness." There will have to be "Glory to God in the highest," before there can be "Peace on earth, goodwill toward men". When mankind has learned righteousness, the world no longer will re-arm. Note the tenor of the words in Isa. 2:2-4: "It shall come to pass in the last days that the mountain (kingdom) of the Lord's house shall be established in the top of the mountain, and shall be exalted above the hills; and all nations shall flow unto it. And many people shall go and say, Come ye, and let us go up to the mountain of the Lord, to the house of the God of Jacob; and He will teach us of His ways, and we will walk in His paths: for out of Zion shall go forth the law, and the word of God from Jerusalem. And He shall judge among the nations, and shall rebuke many people; and they shall beat their swords into plowshares, and their spears into pruninghooks: nation shall not lift up sword against nation, neither shall they learn war any more."

The Kingdom of God will be a literal, tangible kingdom on the earth, with the Lord Jesus Christ as king. The regal territory of the Kingdom will extend from the delta of the Nile River and the Mediterranean Sea to the River Euphrates, and from the region a little north of Damascus to Kadesh in the wilderness of Zin. See Gen. 15:18 and Ezek. 47:15-20.

The Jewish people will be brought back to this promised land, and each tribe will occupy its section, as outlined in Ezek. 48. The portion of Jesus will be central, as described in v. 10, and also show in Zech. 2:12: "The Lord shall inherit Judah his portion in the holy land, and shall choose Jerusalem again".

No more shall Israel be pulled out of her land when - "In that day will I raise up the Tabernacle of David that is fallen, and close up the breaches thereof; and I will raise up his ruins, and I will build it as in the days of old" (Amos 9:11, 15). To this quotation James adds this message to the Gentiles, upon whom My Name is called, saith the Lord, Who doeth all these things.

Who would not desire improved living conditions on this earth with righteous rulers and just laws and obedient people? Such conditions are attainable by searching out NOW the glorious HOPE that the Bible offers, and then uphold the commandments of Jesus and His apostles by rendering a loving obedience to God's precepts. In this New Year, resolve to learn what God would have you do.

MISCELLANEOUS

NOTICE

TAKE notice that a meeting will be held at the Township Hall, Sharon, North End, in the Township of East Gwillimbury, County of York, on the 26th day of July, 1962, at 3 o'clock in the afternoon, for the purpose of electing trustees for the restoration and permanent care of the old Burying Ground, south of Sharon. All persons having relatives in the Burying Ground are requested to attend.

(Signed)

Emily Grose,
Gertrude Collins,
Aaron Linton Lundy,
Margaret D. Hopkins
July 5, 1962.

c2w28

TENDERS FOR TRANSPORTATION

Tenders will be received by The Newmarket-Sutton District High School Board, on or before the 19th day of July, A.D. 1962, to provide transportation for pupils of the Newmarket and Sutton High Schools during the year 1962-3. Particulars of the routes may be obtained from the undersigned. The lowest or any tender will not necessarily be accepted.

Allan M. Mills,
Newmarket, Ontario,
Secretary-Treasurer, The
Newmarket-Sutton District High School Board.

VANDYKE—At York County hospital, Saturday, July 12, 1962, to Mr. and Mrs. Robert Vandyke, R. R. 2, Newmarket, a son.

WEBB—At York County hospital, Friday, July 11, 1962, to Mr. and Mrs. Davis Webb, R. R. 3, Bradford, a daughter.

DEATHS

NUGENT—At his residence, 18 Elm Grove Ave., on Tuesday, July 8, 1962, Alexander Todd, husband of Rose May Nugent, father of Elva (Mrs. Byron Kay), grandfather of Wayne Byron. Funeral service was held in Toronto on July 11. Interment in Briar Hill cemetery, Sutton West.

OUGH—Suddenly at St. Joseph's hospital, Toronto, on Thursday, July 10, 1962, W. M. Ough, husband of the late Anna Terry, and father of Mrs. E. M. Brown (Olive), Mabel and Ben Ough. Funeral service was held in Toronto on July 14. Interment was in Mount Albert cemetery.

PALMER—At her home, Tottenham, on Thursday, July 10, 1962, Mary Maw, wife of Frederick Palmer, in her 73rd year; sister of James, California; Thompson, Nashville, Rachel (Mrs. A. Mitchell), Schomberg. Funeral service was held at Schomberg on July 12. Interment in Laurel Hill cemetery, Bolton.

STEPHENSON—Suddenly, on Friday, July 11, 1962, at Newmarket, Lucy Emma Fielding, wife of the late Gordon Stephenson of 805 Palmerston Ave., mother of Betty (Mrs. William Hope), Kathleen (Mrs. R. Spears), and Thomas. Funeral service was held in Toronto on July 14. Interment in Prospect cemetery.

IN MEMORIAM

LARGE—In loving memory of a dear husband, Robert Large, who passed to fuller rest, July 19, 1961.

Father, in Thy gracious keeping, Leave we now, Thy servant sleeping.

Lovingly remembered by his wife, Beth.

PATTENDEN—In loving memory of my dear mother, Della Pattenden, who passed away July 17, 1935.

You are not forgotten, mother dear.

Nor ever will you be:
As long as life and memory lasts
We will remember thee.

Lovingly remembered by daughter Ruth, son-in-law George and family.

PIPHER—In loving memory of a dear mother, Helen Eva Pipher, who passed away July 15, 1961.

In our hearts your memory lingers,
Always tender, fond and true;
Not a day dear mother,
We do not think of you.

Sadly missed by daughter Jean, son-in-law, Walt, and grandchildren.

WILSON—In loving memory of my dear husband, Arthur E. Wilson, who was so suddenly called home July 20, 1963.

Remembrance is a rose that blooms eternal year by year,
Sweet memories clinging to the heart keeps loved ones ever near.

The tender thoughts that linger on are links that ever bind
The loved ones who have gone before with those they leave behind.

We travel down a winding road,
A road without an end,
And those that seem so far away
Are only round the bend.

Lovingly remembered by his wife, Minnie.

Kettleby Wins Pennant

Play-off time is coming up in the York-Simcoe ladies softball league. The red hot league race was completed last week. League secretary-treasurer Ray Rogers reports final standing: Kettleby 18, Schomberg 17, Beeton 12, Bradford 1.

The semi-finals draw sends Kettleby against Schomberg in series A while Beeton and Bradford provide the opposition in Series B. Both series go three out of five while the finals for the York-Simcoe Cup between the series winners will be settled on best two out of three basis.

Games in the series A semi-finals are: July 15, Kettleby at Schomberg; July 18, Schomberg at Kettleby; July 22, Kettleby at Schomberg; July 25, Schomberg at Kettleby (if necessary). Fifth game if necessary will be played on a neutral diamond.

Games in series B have been scheduled as follows: July 14, Beeton at Bradford; July 17, Bradford at Beeton; July 21, Beeton at Bradford; July 24, Bradford at Beeton (if necessary). Fifth game if required will be played on a neutral diamond.

Storagemen Miss Chance

Queen City Storage, racing neck and neck with the exuberant Ditch Diggers for the top slot in the Aurora town league, muffed a chance to take over undisputed possession of first place by dropping a 12-11 decision to Dave Ferguson's Rockets Tuesday.

All looked lost for the Rocketmen when they came in to take their last swipes in the seventh. They trailed 10-9. Ron Simmons, in as pinch-hitter, promptly whacked one that scurried Alf Childs, Doug Richardson and Paul Knowles across the dish to put the Rockets in the driver's seat 12-10. Storagemen had one kick left for the last of seventh, from Harry Sutton and Grant Winters delivering it.

Their effort got the Storagemen a run but not enough to tie it. Queen City whiz kids were well stocked with base knocks in the early rounds in support of Andy Closs Jr.'s pitching try.

Grant Winters, Geo. Hodgins, Red Castles, Jimmy Emmons and Harry Sutton made merry with three hits each. Paul Knowles, Alf Childs and Doug Richardson, the latter picked up the pitching win, supplied the winners' hefty batting punch.

Queen City whiz kids were well stocked with base knocks in the early rounds in support of Andy Closs Jr.'s pitching try.

Grant Winters, Geo. Hodgins, Red Castles, Jimmy Emmons and Harry Sutton made merry with three hits each. Paul Knowles, Alf Childs and Doug Richardson, the latter picked up the pitching win, supplied the winners' hefty batting punch.

Queen City whiz kids were well stocked with base knocks in the early rounds in support of Andy Closs Jr.'s pitching try.

Two-Run Rally Wins

A two-run rally in the seventh touched off by manager Cliff Chapman's pinch-hit single to score Lefty Phillips enabled Queen City Storage to squeak by Civil Service 11-10 in an Aurora Town League game Thursday. The vastly improved Servicemen almost "dood it" for their first win of the season by erupting for four runs in both the third and fifth and edged ahead 10-9 with a two-run sixth frame uprising.

Storage chums scored in all but one frame to back Andy Closs Jr.'s pitching stint and got the victory door ajar with a big four-run fourth. Grant Winters, Harry Sutton, Left Phillips and Scotty McGhee were the work horse hitters for the winners. Bob Andrews, Bill Hammond and Chuck Southwood wallowed regularly for the Servicemen.

Queen City Storage: G. Winters, W. Hodgson, E. Smith, B. Andrews, H. Sutton, A. Closs, L. Phillips, C. Chapman, S. McGhee, N. Matthews.

Civil Service: J. Hoare, H. Coates, K. Hughes, B. Andrews, D. Shipcott, R. Craig, B. Beamish, W. Hammond, C. Southwood.

Mt. A. Girls Win 8th

Mount Albert ladies can't be stopped, it seems. Friday evening, Gladys Rolling's unbeaten Mounties trimmed Aurora 8-3 in a Lake Simcoe junior ladies league contest. The win was the Mounties' eighth straight. The loss deepened the gloom in the Aurora camp as the Stephenson-Barrager coached baseballers have yet to nab a win.

Ida Bertolin picked up the pitching win with seventh frame help from Marilyn Morrison. Dot Castles went the route for the losers. Reta Longhurst pounded a homer for Mount and Vera Harris, on loan to Aurora, duplicated the feat for her adopted team. Mt. Albert counted all their runs in three innings, two in the first, four in third and two in the fifth. Aurora built their total around two in the third and one in the fourth.

Mount Albert: M. Morrison, R. Simpson, L. Morrison, M. Green, L. Bertolin, R. Longhurst, E. Green, B. Meyers, J. Rolling.

Aurora: M. Hartsman, M. Barrager, D. Castles, L. Evans, A. Wells, F. Hartsman, M. Harrison, V. Harris, C. Carlin.

—Mr. and Mrs. C. G. Clarke and son, John, Galt, spent a few days last week with Mrs. Clarke's mother, Mrs. Arthur Winn.

IT'S A Woman's World

BY CAROLINE ION

Everyone is statistically minded these days. On the one hand we are being informed that eight percent more Canadians drive to work than do Americans. In another publication we are told that every month 78.4 tons of dirt per square mile fall on New York; 66 tons in Chicago and 65 in Pittsburgh.

BIRTHDAY CLUB

Birthday wishes are extended this week to:

Keith Cookson, Holt, 12 years old on Friday, July 11.

Linda Jean Smart, Capreol, 4 years old on Friday, July 11.

David Dion, Aurora, 3 years old on Friday, July 11.

Betty and Barbara Jemmett, Aurora, 5 years old on Friday, July 11.

Joy Catharine Drury, North Vancouver, B.C., 10 years old on Saturday, July 12.

David Lepard, Queensville, 12 years old on Saturday, July 12.

Terry Tugwell, R. R. 2, Newmarket, 10 years old on Monday, July 14.

Sammy Chuck Bondi, Newmarket, 14 years old on Tuesday, July 15.

Doris Goode, Queensville, 13 years old on Wednesday, July 16.

Donald Gordon Robinson, R. R. 1, Keswick, 8 years old on Thursday, July 17.

Larry Ash, R. R. 2, Newmarket, 2 years old on Thursday, July 17.

Send in your name, address, age and become a member of the Newmarket Era and Express birthday club.

DURDY—FISHER

Betty Yvonne Fisher, Islington, formerly of Keswick, became the bride of William Vernon Durdy, son of Mr. and Mrs. G. W. Durdy, in the United church, Islington, on June 15, with Rev. Stuart East officiating. The bride, whose father gave her in marriage, chose a gown of white Swiss embroidered organza over white corded taffeta, the fitted bodice fashioned with high rounded neckline. The bouffant skirt fell to a small train, with ruffle of pleated net. Her veil of white illusion was caught to a seed pearl tiara, and she carried a white orchid with stephanotis.

Mrs. Harold Andrews, Newmarket, matron-of-honor, and bridesmaids, Mrs. Harry West and Roslyn Durdy, London, Ont., wore gowns of blue Swiss organza over taffeta, with matching hats trimmed with forget-me-nots and veiling. They carried nosegays of pink roses. Eric Paterson was groomsmen and ushers were Ken Bate and James Secord, St. Catharines.

To receive, the bride's mother chose a gown of delphinium blue lace and crepe and a pink rose corsage, and Mrs. Durdy wore deep rose lace with a corsage of yellow roses.

BROUGHTON—BENAIR

A pretty wedding took place June 21 at the home of the bride's parents, Mr. and Mrs. Aubrey Benair, Hope, when their daughter, Eileen Ruth, became the bride of Mervyn Lawrence, son of Mr. and Mrs. William Broughton, Newmarket.

The ceremony was performed by Rev. Eric Warren, Queensville, on the lawn in front of an arch formed by evergreens and bells and banked by baskets of peonies and forsythia. Mrs. Stewart Stukwood presided at the organ and Miss Muriel Broughton, sister of the groom, sang the "Lord's Prayer" before the ceremony and "I Love You Truly" during the signing of the register.

The bride, given in marriage by her father, wore a gown of ivory satin with chintilly lace yoke, outlined with medallions of seed pearls and lily point sleeves. Her floor-length veil was held by a cornet of orange blossoms and she carried a cascade of roses and white gladioli.

The bride had two attendants, her sisters, Mrs. Bruce Townsley and Mrs. Ellerby Farr, gowned in turquoise and pink taffeta with matching shoulder length veils which were held by cornets of flowers. They carried nosegays of gladioli and roses.

Mr. Gene Broughton, brother of the groom, was groomsmen and Mr. William Benair, brother of the bride, was usher.

The reception was held on the lawn where the bride's mother received in a mauve and white crepe gown with corsage of roses and mums. The groom's parents were unable to attend because of ill health.

For the honeymoon and motor trip the bride wore a gown of broad organza with a corsage of yellow roses.

They will reside in Newmarket.

MILLION—LEE

Parkdale Presbyterian church, Toronto, was the scene of the marriage of Alice Marie, daughter of Mr. and Mrs. A. Lee, Toronto, and Harry Million, son of Mr. and Mrs. W. Million, of Newmarket.

Given in marriage by her father, the bride wore a gown of white nylon net with broadened taffeta and carried a bouquet of

From another source we learn that although the Canadian dollar is at a new high, the tourists from our neighbor to the south continue to swarm across the border. Such traffic in May was reported to be up 22 percent. All this means more tourist dollars for Canada.

Then again, that man, Dr. Kinsey, is up to some further statistics on the ways and whys of the females of our species. No doubt when his latest report, "Sexual Behavior in the Human Female" is published we will no longer hear people complaining that statistics are dull.

For example, did you know that, "in a recent poll, 82 percent of husbands felt that their wives were good looking and 37 percent thought they were even more attractive than when they were married. In answer to the same questions, only 62 percent of women felt that their husbands were good looking and 33 percent that their spouses had improved since the wedding."

Or that, "men whose annual income never exceeds \$2,500 have their highest-income year at age 43 or 44. Men in the \$5,000 have their highest-income year at 49 or 50". Such exciting information is dispensed in a recent copy of the Ladies Home Journal.

Now, it might appear that these statistics are of little concern to the readers of the Era and Express. But, every resident of Newmarket who has complained about the soot-smoke nuisance must be reassured after learning of the tons of dirt which fall on New York, Chicago and Pittsburgh. At least, Newmarket isn't that bad.

Then there is that matter of the Canadians and their cars. For the local automobile owner there will be considerable personal satisfaction that he helped to bring about this new state of affairs. Imagine the percentage of travelling in connection with work or business being eight percent greater in Canada than in the U.S. Who says we aren't coming into our own as a mature nation?

Every Canadian who has travelled in the United States must chortle with glee when he learns that Americans now pay a discount on their dollars when in Canada. Remember when the salesclerks in the Buffalo, Rochester or Detroit stores (or in any American city for that matter) would return your Canadian money as if it was rubber and curiously inform you "We don't accept Canadian money here, dear."

Or, at best, they would tack on another dime for each dollar of your purchase and with a condescending smile remind you that, "After all, it's only Canadian money you're spending." Yes, statistics can be very satisfying.

But, when it comes to Dr. Kinsey's statistics the female population as one will view them with sceptical eye. It has been said that a truthful woman is one who only tells a lie about her age, her weight and her husband's salary. With such a percentage of odds against him how can Dr. Kinsey put too much confidence in his investigators' reports.

Someone else has said that a woman who will tell her age will tell anything. Anything? Well now, that covers a lot of territory. We still have our doubts.

white and red roses with white sweet peas.

Her attendants, Mrs. Ivy Norman, matron of honor for her sister, Miss Gladys Lee, Miss June Lee and Miss Lynda Norman, flower girl, wore similar gowns of mauve and blue nylon net with broadened taffeta and carried bouquets of carnations and sweet peas. Everitt Paul was groomsmen and the ushers were Ted Lee and Paul Mallory.

Following the reception, which was held at the home of the bride's parents, the couple left on a trip to Buffalo.

CURL—ROLLING

At the residence of Mr. Jim Rolling, Mount Albert, on June 28, Florence Rolling, niece of Mr. Jim Rolling, became the bride of Mr. John Curl, son of Mr. L. Curl, Victoria Road, Rev. Shapter performed the ceremony.

The bride, given in marriage by her uncle, Mr. Jim Rolling, wore white mink tulle and pearls and carried a nosegay of mixed flowers.

The attendants were Dolores Sedore, dressed in mauve net and carrying mixed flowers, and Mr. Roy Curl as best man.

For the reception, held at Mr. Rolling's residence, the bride's mother received in pale blue lace and the groom's mother assisted wearing navy crepe with grey accessories. For travelling to Mattawa, the bride chose a suit of pink sharkskin.

The couple will reside at Mount Albert.

Temperanceville

On July 5, a group of 19 friends met at the home of Mrs. George Harvey to bid adieu to Mrs. David Lewis who is leaving King to join her husband in Baltimore where he will be an assistant physician on the staff of John Hopkins hospital.

Mrs. Nelson Thompson, Mrs. John Bingham and Mrs. Ed. Paxton were present at this gathering when two lovely china cups and saucers were presented to Mrs. Lewis. Mrs. George Harvey spoke of the regret of all present at having Mrs. Lewis leave the community and how we had enjoyed her presence at our smoking meetings.

A lovely lunch supplied by the ladies was the climax to a very pleasant evening.

On July 11, little Miss Judy Paxton celebrated her sixth birthday. Eleven little guests sat down to a prettily decorated table of pink and white. The children enjoyed their sandwiches, ice cream and birthday cake, and all joined in singing "Happy Birthday, Judy."

On July 12, Miss Suzanne Levison had a very delightful afternoon entertaining her 19 guests on her eighth birthday. The birthday supper of a lovely salad, ice cream, cake and cookies was enjoyed in picnic manner from a table set on the lawn. Pretty paper hats added to the fun of the party.

At the conclusion of the Bible Vacation school at Oak Ridges, an overcrowded schoolroom of parents, friends and children attended the closing services in which all members of the vacation school took part with the teachers of each grade in charge of their pupils.

Mrs. Roy Bradley, Mrs. Cox, Mrs. Matthews, Mrs. Frank Bell and your correspondent were present to enjoy the service. Donald Cox and Judith Paxton received their certificates for two weeks' course. The total attendance reached 138 children. The enrollment for the pre-school children reached 72. Sixteen of these small youngsters received their certificates. Dr. and Mrs. Wendell Simpson and twin daughters, Jean and Janet, were weekend guests of Sgt. and Mrs. Herbert Howell. The Simpsons are from Winnipeg. Mr. and Mrs. Leslie Howell and Mr. Donald Howell also were visitors on the Sunday.

Miss Elizabeth Wideman of Ottawa is visiting with her grandmother, Mrs. John Jennings, and the Wilbert Jennings family.

Miss Joan Hare has returned after spending a week at the home of Mr. Lorne Ash of Belleville. Miss Shirley Hare and Mr. Robert Turner motored to Belleville for Joan.

Sgt. and Mrs. Herbert Howell spent Thursday and Friday visiting their family who are vacationing at Wasaga Beach.

An appeal by the Neighborhood Workers for residents to take a child into their home for a week or two of holidays was announced by Mr. Middle Sunday evening. These children are well selected, healthy youngsters who otherwise will be without a summer vacation. Anyone wishing to make a little child very happy by opening their home to it for one or two weeks, please contact Mr. Middle.

PLEASANTVILLE

Traffic has been quite heavy during the day and evening towards the Free Methodist camp meetings at Cedar Valley.

Remember the program and ice cream social at Pine Orchard Union church on Friday evening, July 18.

Mr. and Mrs. Frank Greenwood of Sharon were Sunday dinner guests at the home of Mr. and Mrs. Chas. Greenwood and Mr. and Mrs. Carl Greenwood.

Mr. and Mrs. Earl Toole, accompanied by Mr. and Mrs. Frank Hope of Newmarket, enjoyed a motor trip to Ottawa.

Little Master Billy Glover returned to Toronto recently with his grandmother, Mrs. Gardner. They travelled from Newmarket by the C.N.R.

Mr. Orley McClure from near Port Perry is at present in York County hospital.

Master George Harrison of Aurora is holidaying with his grandparents, Mr. and Mrs. M. Sheridan.

Mrs. Charles Toole returned home with her sister, Mrs. S. Playter, to Burlington on Tuesday for an indefinite time.

Mrs. Wm. Walker and two daughters, Patsy and Louise, are enjoying a week's holidays at the Penrose cottage at Sandy Lake.

Mr. and Mrs. M. McNicol attended the Graham family gathering at Innisfil park of Sunday.

Mrs. G. McClure and Mr. E. Madill attended a family get-together on Sunday at the home of Mr. Robt. Jewitt, Kettleby.

Mrs. Wm. Weber of Nashville was a Saturday dinner guest of Mrs. Wood and Mrs. Lloyd on Saturday, and also called on Mrs. G. McClure.

KETTLEBY

Mr. and Mrs. Walter Clarkson, Lansing, were Sunday guests at the home of Mr. and Mrs. George Munshaw.

Mrs. Charles Anning, Flint, Michigan, who attended the MacGregor-Anning wedding in Aurora last Saturday, July 5, is spending a few days with Mrs. Laura Wilson.

Mr. and Mrs. Jeff Marvella and Mrs. Norman Curtis spent Sunday with Mr. and Mrs. Frank Curtis.

Mr. and Mrs. Leo Blackburn and family spent Sunday at Midland.

The annual Blackburn reunion was held Sunday, July 13, at Mary Lake, King. Relatives were present from Peterborough, Kitchener and Toronto.

Miss Jean and Mr. Keith Williams, Toronto, spent last week with their grandparents, Mr. and Mrs. Albert Hilborn.

Mr. and Mrs. George Hickey, Peterborough, are spending a few days with Mr. and Mrs. Leo Blackburn.

KESWICK

Keswick United church W.A. is holding a bazaar and afternoon tea on the church lawn at 2 p.m., Wednesday, July 23. There will be a fish pond, home-baking, fancy goods table and aprons at the bazaar.

Base metal mines are adding more than \$25,000,000 annually to Quebec's mineral income.

Since 1945 total non-defence governmental expenditures in Canada—this embraces federal, municipal and provincial governments—have increased about \$1,000,000,000 annually.

Zephyr Blues Top Circuit With Week To Go In Lake Loop

There's a race to the finish line in the Lake Simcoe loop. Zephyr leads, with Queensville second, Keswick third, Mount Albert fourth, Beach fifth and Pine Orchard sixth. Belhaven and Vandroff play-off hopes are dearer than Julius Caesar.

Open season on protests. League moguls have three on their hands.

Queensville created an upset by spilling Zephyr. Willow Beach, coming fast, counted it a three-win week, humbling Queensville at home in the process.

Heat and Mount Albert halted the Keswick win streak. It may be two losses as the Keswick debating society of Ron. Rowe, Eddie Chadwick and Tommy Hare lost a bout with umpire Barney Revell in the fourth and were thumbtacked away. Keswick couldn't continue because of a player shortage.

Mounties led 6-3 at this stage, thanks to nifty pitching from Ken Mitchell and two-hit slugging by Doug Simpson and Art Gibney. Ken Hodgins' home run blast was wasted.

Teams squared off again Friday in Keswick. 10-9, Mounties got a foothold with a four-run first round and protected it for an 8-5 win due to Ken Mitchell's pitching. Doug Simpson and Bob Badger paved the way for the Mount win with two hits each. Ron. Rowe homered, Eddie Chadwick tripled, Claude Pollock and Ken. Hodgins.

A three-run uprising in the seventh that broke a 6-all tie earned Willow Beach a 9-7 win over Vandroff. Ossie King three, Al. Chapelle, Dick Sinclair, Don. Cameron two each and Cec. McNeill's three bagger featured the onslaught against Josh Preston. Doug. Aleorn and Clem. Ellas wallowed regularly for the losers. Harold Botham doubled and Jack Baber came through with a pinch hit single.

Behind Cec. McNeill's steady pitching, Willow Beach knocked off Vandroff 5-4 at home as the teams went at it again Friday.

All was not lost at Queensville. Exploding for five runs in the fourth and four in the sixth, Queensville took Zephyr 11-6. Cliff Ward and Bob English with three each, Bill Burkholder and Ron Beckett with a pair each were the Queensville big guns. Ken. Pickering, Ches. Lunney and Stan. Lunney kept swinging for two hits each to lead the Blues.

Zephyr Blues gasped across the finish line 2-1 winners over Mount Albert in a feature game. It was a high class hurling duel between Mounties' old reliable Ken. Mitchell and Blues' Ron. Kester. Both allowed five hits.

Blues got the jump for two first frame runs as Clark Arnold singled and raced home on Ron. Kester's ringing double, and the latter came home with the winner on a passed ball. Harry Hovsey, Bill Lockie and Johnny Meyers accumulated Blues' other hits. Geo. Green crossed in the sixth for the Mounties' only tally. Dave Couch with two, Art. Gibney, Elmo Paisley and Geo. Green with one each were the successful Mounties knockers.

Midgets Clip Aurora

Lusty 12-hit slugging, five-hit pitching from Merlyn Bales, sharp fielding and a fine receiving job by Laurie VanZant staked Newmarket Atomies to a 12-6 win over Bill Mundell's Aurora Legion at the fair grounds on Tuesday in a North York midget baseball league contest.

It was the locals' fourth straight win and shot them into first place in the league's closing game. The local powerhouse swingers bundled six first frame runs to give their pitcher a working cushion.

The Waller-Pitt men clipped the offerings of Mundell's fearsome southpaw (George Kiroff) for five extra base drives. Fred Bennett led with a base circler and three bagger. Jackie Mills slammed a homer. Bob Forhan included a triple in his three-hit take. Rick Corner was the other local slugger swinging for extra bases with a triple.

Grant Edwards, Geo. Kiroff, Jim Hammon, Buddy Sutton and Stew. Wilson staked a claim to the Aurora hits. Wilson's four base smash in the seventh got Merlyn Bales into trouble and brought in Bob Forhan to mop up the Aurora threat.

Aurora: J. Bunn, B. Morgan, G. Edwards, G. Kiroff, J. Hammon, B. Andrews, B. Sutton, S. Wilson, J. Brooks, H. McKenzie.

Newmarket: J. Mills, B. Broadbent, W. Saunders, R. Corner, B. Forhan, D. McKnight, W. Bannister, P. Widdifield, L. VanZant, F. Bennett, M. Bales.

Browsing Along Sport By-Paths

Hot-weather hayride: Larry Molyneux for the sixth straight year ousted Herbie Cain from the club championship fight at Aurora Highlands. Generally the Newmarket duo meet anywhere from the third round to the finals. This year it was a first round match.

Strangely enough, over all the years the boys have played practically even until the 17th (the dog's leg No. 5 on the 9 hole route) and this year was no exception, Cain blowing the match on the 17th.

Most of the boys are playing a double over the 9-hole course as the fairways on the new part are not too good. The greens on the new nine are really terrific however and it's doubtful if any new course has ever had faster greens in their first year.

Among the club's better golfers who are favored for the championship are Bill Cross, an ex-champ like Molyneux, and Jack Moran, who was the club pro two years ago, but now plays as an ordinary member. Moran bested Whitey Jones in a terrific first round match. Jack won't get his amateur card until next season but the players at Highlands won't kick because of that. Moran fired a 72 in beating Jones.

Canadian Legion district golf tournament will be held at Highlands on August 2. It is expected that Orillia, Collingwood, Orangeville, Aurora, Woodbridge, Gravenhurst, Barrie and Willowdale will have entries in the team matches and perhaps Newmarket. Individual entries from any veteran regardless of whether he is a Legion member, will be accepted by Alex McLean of Aurora, telephone 443. Nice prizes, duffer's, hidden hole, most honest golfer, etc. for those who are just ordinary performers.

A cold plate supper will be served at Aurora Legion hall, plus 19th hole fraternizing. Looks

like a big day and to add to the competition, five or six Legion branches from Toronto are sending teams to play in their own show, as a second round Toronto Legion flight. Walker cup play is listed for Aurora for August 10, with Oakville, Barrie, Orillia, Lake Wilcox, Midland, etc., entered.

Major Arthur Adams, sports officer at Brampton Camp when that centre had a great hockey team featuring Joint McComb, Joe Iannarelli, Ted Lister, Ed Young, Flash Abrams, etc. and later second-in-command at Newmarket, has recently been elected deputy district commander of the Canadian Legion for Toronto. Art, who is a top executive with the Bell Telephone Co., replaces Col. Fred Nicolls.

Jerry Acheson, ex-Aurora softball and baseballer, is hurling great baseball for Mathers in the Earlscourt senior league. Professor Norman Lane of Ottawa, well known in these parts as a master at St. Andrew's College for many years as well as competing at the Olympic games at Helsinki, will manage the Canadian canoe team. Lane was a member of the Canadian team in '48, and he and his paddlers may score a point or two for Canada.

Dad Kearney of Woodbridge, who has excelled at hockey for Brampton Juniors the past three years, is playing sensational lacrosse for Brampton Juniors who are almost sure to represent the east in Minto Cup competition. Len Cooke was suspended recently by the O.L.A. for playing box-la for Alliston without benefit of a certified playing card. Aton, after being out of lacrosse for 50 years, has a crack team this year. It is leading the western group in intermediate.

Charlie Burns of Kingsmere Farms, Temperanceville, has been elected a director of the Ontario Jockey Club. He is also

Footballers In Action

Newmarket's recently organized football club came out of hiding over the past couple of weeks to get their first taste of outside opposition, staging a home and home series with Bradford. Bradford triumphed locally 1-0. In the return match at Bradford, Newmarket swept to a resounding 4-0 victory.

John Rendering headed in a goal late in the first half to put the local eleven in line to collect a win. Klass Vanderwal made it 2-0 at the ten-minute mark of the second half. The local 11 ran rings around Bradford in the final 10 minutes. Y. F. DeBoc made it 3-0 and Klass Vanderwal scored his second goal in the closing minutes to make it 4-0.

The local footballers are hoping to finalize arrangements this week with the DeHavillands' senior team for a home and home series.

If the plans go through it should give the local side a real test of strength and draw a large fan attendance.

Newmarket: Alex DeBoc, Bob Petch, John Bowwen, Klass Vanderwal, John Rendering, Y. F. DeBoc, Mike Gibbons, Dave Richardson, Joe Lundy, John Kloostersoon.

Due to depletion Louisiana and Texas sulphur deposits the pyrite deposits of Quebec are becoming increasingly important.

THE Calvert SPORTS COLUMN

by Elmer Ferguson

The most compelling figure in Olympic Games trials anywhere — perhaps in the games themselves — will be a blind man.

There's something heart-catching about the blind, their struggle against the unkind and tragic blows of Fate that have robbed them of the opportunity to see the physical beauties and the color of a very wonderful world. And there's something even more poignantly gripping and profoundly impressive in the struggle of those in the dark to maintain some parallel with the life they cannot see.

So we believe that an almost blind athlete, who has completely lost the sight of one eye, and the other seriously affected, offers a most heroic figure among the great athletes of this continent who will compete for places on the United States Olympic team.

The gallant athlete in question is Bill Bangert. He finished fourth in the shotput feature of the National Indoor track championships held at Madison Square Garden recently. He put the 16-pound weight 52 feet 10 1/2 inches, which was one-quarter of an inch better than his title-winning toss in 1945. Jim Fuchs, world champion, won with 50 feet, 3 1/2 inches.

The remarkable part of Bangert's feat was that the almost sightless athlete had to be led to the putting ring where, of course, he was on his own.

Amazingly, this blind young giant's recent effort was better than any Olympic record prior to that of the London Games, when W. M. Thompson won with 50 feet 2 inches. In that event the great American athlete, Fuchs was third with a put almost exactly the same as Bangert's 53 feet, 10 1/2 inches.

The mighty Ralph Rose, four times U.S. national champion and twice Olympic winner, could not do as well as this sightless boy has done. Rose's best was an even 51 feet.

Bangert's determination and tremendous courage in the face of a disheartening physical condition, are typical of his entire life — in business, sports. Before his eye-sight failed, he was a varsity football player as well as shot and discus star at Missouri University and later at Purdue. He reached the national amateur heavyweight boxing final. He made a success as a road-builder. He even did a good job as a singer, but it took too much time from business.

The world will wish this gallant soul well in his battle for Olympic fame. Indeed the world admires all athletes who, despite physical handicaps, make their way well along the athletic trail. But those who live in the twilight of vision far below the normal are the most compelling of all, and it is amazing how, in several varieties of sport, they have risen above a deficiency which might be thought insurmountable.

Athletes whose eyesight is below normal dot the baseball picture. There are a dozen be-speckled stars in baseball, in the major leagues, several in the minors. They are by no means blind, of course, but their eyesight is not good. Yet they have overcome that handicap. Several players in major hockey have worn glasses. Hal Laycoe of Boston Bruins is one. When Canadians won the Stanley Cup in 1946, one of their stars was the whirlwind "Dutch" Miller, a little bit of a be-speckled player who could really fly, but whose defective vision forced him to wear heavy glasses.

Your comments and suggestions for this column will be welcomed by Elmer Ferguson, c/o Calvert House, 431 Yonge St., Toronto.

Calvert DISTILLERS LIMITED
AMHERSTBURG, ONTARIO

Sr. Ladies Win From Midland

Midland Monarchs, the terror of the early Barrie & District Ladies Softball League campaign, are just another ball team so far as our ladies are concerned. The Monarchs made their first appearance here on Thursday and were subjected to a 12-3 drubbing by the VanZant-Ruthven machine.

The win put Newmarket into a first place tie with Midland. A combination of seven-hit pitching by Hester Clark, lusty 15-hit clouting and alert defensive work assured the Newmarket triumph.

Muriel Lambie, who is usually a puzzle to our swingers, was a

coast in this one. Local ladies shot away with a first frame run, scored in all but one round, and blew into a 9-2 lead in the fifth with a five-run uprising. Frances Brodeur and Muriel Lambie connected for two hits each to pace the visitors as they collected single runs in the third, fifth and sixth. Barbara Watt led Newmarket batting with three. Mary Osborne, playing the outfield despite a fractured finger, socked a homer and single and Terry Reid drove in three runs with a double and single. Lois Darrach and Jeanne MacDonald chimed in on the hit act with two each.

Pin-ups Crash Aurora

Geo. Watt's Pin-ups slammed 19 hits, fielded flawlessly and drew a nifty five-hit pitching job from Ray Diceman to crush Aurora 19-3 at the S. S. diamond Tuesday in a Lake Simcoe junior ladies league game. The victory put the Pin-ups in fourth place and dropped Aurora deeper into the league basement.

Marilyn Lee, Loretta Forhan, Marlene Martin and Betty McArthur delivered the Newmarket punch with three hits each. Key Diceman, Barbara Shropshire and Glenna Woodhouse whacked a duo of safeties each.

Dot Castles was subjected to the Newmarket batting merry-go-round with Carol Taylor pitching in the sixth. Darlene Woods and Dot Castle ran hits into homers to give Aurora a run in the second and fourth and the visitors completed their scoring on combined singles by Alice Wells and Margaret Barrager in the sixth.

Newmarket: M. Lee, C. Diceman, L. Forhan, B. Crouch, M. Martin, B. McArthur, B. Shropshire, G. Woodhouse, J. Quinn. Aurora: M. Harlsman, A. Wells, D. Woods, M. Barrager, F. Harlsman, D. Castles, C. Taylor, J. Seaton, L. Evans.

Bears Win in Brampton

The Bears, Aurora's junior O. B.A. entry, came marching home 6-5 winners over Brampton Saturday to even up the home and home exhibition series between the two evenly matched teams at a game each. The deciding game is in the offing.

High class six-hit hurling by Andy Closs Jr., plus his single which sent Bob Andrews home in the first of the seventh, capped the Aurora win. Three runs in the second, climaxed by Bill Grant and Tracy Barrager's run scoring hits, a two-run fifth and the run in the seventh assured the Aurora win.

Brampton got to Junior Closs for two runs in the fourth and two in the fifth and rallied for a last-of-the-seventh tally before the Aurora right-hander suppressed them.

Bob Andrews, Alvie McKnight and Andy Closs provided Aurora's offensive power. McKnight and Jerry Hugo shone afield and Grant Edwards sparked the club with a super receiving effort. Bill Merritt and Bob Lemmon were Brampton hit leaders with two each.

Aurora: B. Andrews, A. McKnight, A. Closs, J. Hugo, L. Thoms, H. Stephenson, G. Winters, W. Grant, T. Barrager, G. Edwards.

SPORTS CALENDAR

HASHMAN AWARD

Mary To The Rescue

Last Thursday the vaunted Midland Monarchs were in town for a slap at our senior ladies. Coach VanZant counted local noses - and found eight players on the bench. What to do? Mary Osborne, sidelined with a broken finger, was there as a spectator. Mary came to the rescue by grabbing a glove and going into right field.

Everybody, including Midland ace Muriel Lambie, figured that Mary would be a soft touch in the batting order. But how everybody was fooled. Mary popped out on the first two attempts but got the range for a single in her third trip up and then slammed a solid four buster. Team spirit is the best tonic for winning ball games and Mary's game effort had much to do with the locals lacing Midland 12-3.

For the gallant effort we're naming Mary Osborne Hashman award winner and Roxy Theatre pass recipient this week.

Redmen Subdue Palgrave

Newmarket Redmen, showing championship form, outthrew, outpitched and outfielded Palgrave Friday to snap up an 18-7 win at the fair grounds. The triumph gave the tribe a secure hold on second place in the South Simcoe League standings. The Redmen battering ram collected 16 hits, including two homers and two triples, and capitalized on six Palgrave errors and two walks to run away with the decision.

Palgrave had the local faithful worried with a sharp start. They got to Ken Broughton in the first for three runs on an equal quantity of hits and an error. Redmen got those back pronto as Jerry Hugo cashed a three-run homer after Jim Cook and Don Gibson singled. That

Clossmen Nip Specialty

Bossman Andy Closs has been hinting lately his Aurora dandies could trip the Office Specialty. He isn't one to make rash statements as the Specialty found out to their regret Monday as Aurora nosed them out 2-1.

Much of the credit for the Aurora triumph has to be bestowed on Normie "Hands" Stunden who spun a stylish three-hitter to control the Specialty. John Sheddwick started shakily on the Specialty rubber. Aurora taggers tapped him for four hits and a run before the Andrew St. fireball king sent Luke Holman down swinging with the bases populated. Stunden racked up his own win, doubling in the fourth with one away, reaching third on a bad throw, and allowing Sheddwick to wild pitch him home.

Specialty worked up their one dangerous rally in the seventh. Bernard Kay, with two of their three hits, strolled, Charlie VanZant drew free transportation and Tod Mosier, Specialty third-hitter man, singled home a run. Bun Cook fouled out to end the threat with Charlie VanZant holed up at third with the tying marker. Don Glover assumed the Specialty hurling burden in the fifth and claimed four strike-outs.

Stunden was the visitors' only two-hit man. Alf Childs, Andy Closs Jr., Doug Richardson and Earl MacDonald punched out one each. Don Holman ran under a couple of hard hit liners in left.

Office Specialty: T. Mosier, B. Cook, J. Hugo, D. Burch, W. Elshy, B. Kay, B. Andrews, L. VanZant, C. VanZant, J. Sheddwick, D. Glover.

Aurora: A. Childs, A. Closs Jr., D. Richardson, E. MacDonald, T. Barrager, D. Holman, H. Stephenson, B. Turan.

Aurora Wins From Hill

Bill Mundell's top flight southpaw, Geo. Kiroff, was a two-way star as Aurora dumped Richmond Hill 6-4 Wednesday in a North York midget baseball league contest.

Geo. came up with steady six-hit pitching and sandwiched three hits into a busy evening, a triple, double and single. His bases-loaded double in the fourth touched off Aurora's four run winning rally. Bob Morgan and John Bunn were the other Aurora swingers on the beam with a two for four batting mark.

Paul Atkinson and Lloyd Grainger supplied the Hillmen hit spark with two each. Al Robertson opened on the Hillers hill going to the showers in the fourth with Red Hart coming in to relieve.

Hoffman, Bell Tie Monday

Hits and runs were at a premium as Hoffman and Thompson-Bell battled to a 1 all tie at the Fair Grounds Monday in a town league pressure-cooker game. The one point grab by Hoffman enabled them to tie the Specialty for the leadership.

It was a hurler's duel all the way and featured razor sharp fielding. Bill VanZant puzzled the T-B swingers with his fuzz ball, restricting them to four safeties. Morley Cook, afire on T-B mound, had his drop ball working to perfection silencing Hoffman on four hits.

The Thompson-Bell machine scored first as Orrie Thoms dropped a hard hit liner by Mickey

Smith and O'Reilly batted one through the infield in the fourth. Hoffman got that run back in the sixth as Fred Dillman lined out a wrong field triple and Bill VanZant pumped a single into left.

Fred Dillman, Bill VanZant, Ken Thoms and Al Wilson punched out the Hoffman bingles. Jerry O'Reilly with a double and single went to the head of the T-B's hit class. Bill Johnston and John McTavish got good wood on the VanZant specials for other T-B safeties. John McTavish starred around third, digging seven hoppers out of the dust to quiet Hoffman hit bids.

SPORTS-CYCLE DROP TENTH

Sport-Cycles last 13-5 to Thompson-Bell last Wednesday. Sport-Cycles fuse blew in the fifth when Mickey Smith, Harold LaPlante, Lloyd Cadmore and Morley Cook blasted singles and Stan Evans drove out a base circling. It gave them six runs and the game.

The victory brought jubilation to T-B corral as it was their first win in their last eight contests. Up to that point, Cyclemen trailed 4-3 and were very much in the game. They showed early class by collaring a 2-0 lead in the start-off frame and added a second round score. But that was the end of their celebration as the T-B assumed control whacking Art Dobbie's "stuff" for a merry-go-round 10 hits.

It was Mickey Smith, Bill "Hot Shot" Johnston and Harold "Sunshine" LaPlante with three each, and Stan Evans and Lloyd Cadmore with two each.

Morley Cook's "zoom-zoom" ball was picketed for ten hits by the Sport-Cycles. Cookie had it though when danger threatened. Cyril "Shorty" Keats, into the game to complete the Cycles side, was their star with a triple and single, Harold Stephenson, Harvey Gibney and John O'Holloran got two each.

ENTER O.B.A.

For the first time in over two decades, Newmarket will have an entry in the O.B.A. intermediate play-downs. Coach Herb. Cain and Manager Ted Robinson gave the green light for the Redmen to enter last week. The O.B.A. accepted the Newmarket entry and have given the team a B rating. First O.B.A. action isn't expected until late in August.

The Newmarket midgets, coached by Lowell Waller and managed by Eddie Pitt, and Optimist bantams have been accepted for O.B.A. membership.

Haskett's

HASH

BY GEORGE HASKETT
Newmarket Sports Editor

"What", say several of our curbstone critics, "are you trying to accomplish with a reshuffle in the Recreation Commission?" We thought we had explained the idea fully on previous occasions.

But if there is any doubt in a nutshell we're trying to get an active commission on the job that will support our minor ball and hockey program to the hilt. Haven't heard as yet how the nominating committee is faring with a new slate of commissioners. Hope something is forthcoming soon.

Right now our minor ball picture is at a low ebb. We don't believe the bantams or pee-wees have played since Frank Doolingworth departed. Neither club has a coach so far as we know. Seems a pity to see the program stop after the teams made such a good showing last year.

Sure, we know the bantams are slated for O.B.A. action under the Optimist banner, but if they don't get practices or games you can kiss their chances of going anywhere adieu. Bantams will get further North York action ere long. Your paragraph is working right now trying to get the five bantams and three midget teams together to work out a play-off schedule, but it's a rocky road as some of the teams aren't fulfilling their scheduled games.

Incidentally, anyone wishing to become a "good Joe" can help the situation by presenting a trophy or pennant for annual competition for the North York leagues. It would be a good step towards keeping the league functioning on a yearly basis. Any takers?

Party Line
Poser of the week seems to be: "What are they running in the Lake Simcoe League this season, a ball league, a debating society or an umpire bailing school?" This paragraph just wonders — arguments and protest have been cropping up almost nightly. But tut, men. Play the game and leave the rhubarb to the gardeners.

Keswick trio got the thumb Thursday from Umpire Chubby Revell. May do a lot of good, won't do any harm. We usually find if a player is looking for an argument all the time with the ump, he hasn't time to do a 100% job on the field. Think it over, fellows. Leave the umps be. Sure, they're human. They make mistakes. But so do 99 percent of the ball chasers.

Here's a bit of good news from one umpiring source. Hadn't heard from Loring Doolittle for so long; thought one of Tennessee mountaineers had done him in with his trusty fowling piece.

No flowers, please! Dewey is doing great. The Mountain State League officials named him to make the calls at second base in the league's all-star game. Couldn't happen to a better guy. Betcha he'll have some tall tales to spill around the hockey dressing rooms this winter.

Tall Tales
This one you can take or leave. Andy Closs is as busy as a cat on a tin roof lining up next winter's Aurora junior hockey squad. Few cards left, boys. Better sign now and not regret. Anyhow, Andy takes time out from his busy round of activity to bring his softball nine Monday to nip the Specialty 2-1.

Andy claims that Kent Cook, Maple Leaf boss, after hearing of the win which gave Andy a 1000 percent average, called him Tuesday morning. "Say, Andy," says Mr. Cook, "do you want Becker's job?" The boss-man had to decline. Hockey's his first love. So that, my friends, is how Billy Grimes got the job. Incidentally, Aurora-Specialty tilt was a dilly—fans are demanding a repeat.

Old timers are ready for that hardball contest. You young pups name the date. York County hospital and "Move the Grandstand Fund" will likely benefit.

Poaches VanZant, chairman of the floodlight fund, reports we're a couple of hundred smackers off the target. Anybody want to help? Donations kindly accepted.

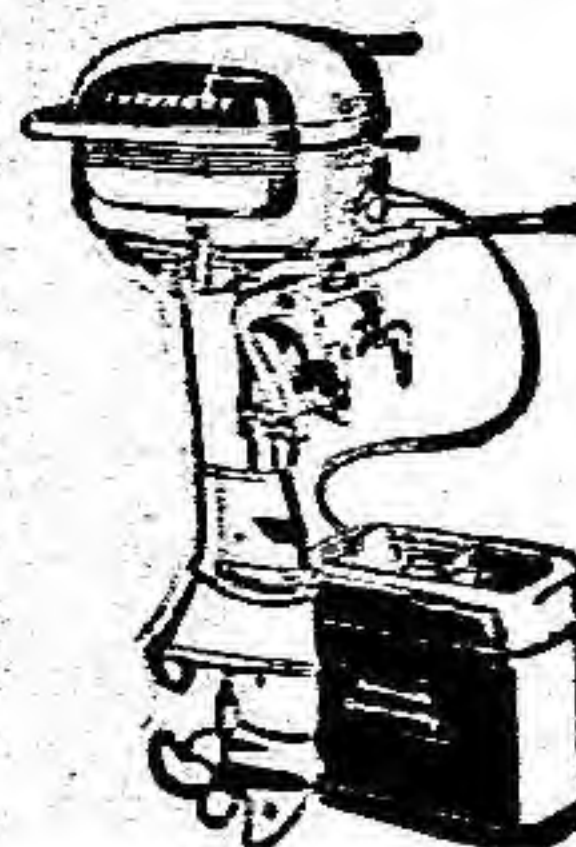

Geo. Kiroff, Andy Closs Jr., Harold Stephenson, Stew. Wilson and Grant Edwards are attending the St. Louis Browns training camp at the stadium this week. Hope they come back waving a contract. Opportunity is knocking right and left as the big leagues keep up a ceaseless hunt for talent.

Our Redmen hardballers lost 26-5 just to Alliston Wednesday but what struck this paragrapher forcefully was the number of Newmarket fans in the stands. Hardball has caught on with a bang and by the by, the local big diamond artists are slated for O.B.A. action. Have a sweet, sweet ball club here. Could make a name for itself in the O. B. A. play-downs.

We were searching for a score-keeper the other p.m. There aren't more than half a dozen guys in the Hub who can do it right. We're training another chap right now. Early Ruthven,

Mayor's Courage Commended:
Closed Meetings Have Been
The Rule In Arena Business

The predominating subjects of discussion in town are concerned with the arena report and the Banner's blasts against the Mayor of the Town. These Banner "blasts" are a welcome sign of life in the nonagenarian smaller periodical circulating in town. Until now the Banner has so consistently sat silent on the fence that it has always suggested to our mind a praying mantis.

The Banner seems to be quite "mad" with Mayor Rose. Some form of summer heat seems to have assailed it, so that its pores exude both editorially and in its news write-ups. Now it should be obvious to everyone how necessary Aurora News Page is as a medical corrective, to check mental contaminations arising from Banner misrepresentations!

Of course a certain degree of bad publicity for Aurora is bound to result from last week's Banner issue, especially among out-of-town readers. But we are confident that much of this bad publicity for Aurora can be checked. We are doubtful, however, if we can catch up with radio stations which last week informed listeners that Mayor Rose would not sign the arena majority report, without giving the reasons why.

The Mayor's Courage

We have heard repeated commendations of the courage and determination shown by Mayor Rose in refusing to sign a report which he knew did not represent the full and the true facts. Some weeks ago rumors were circulated that he would resign.

We said then and we repeat it now, we are certain that Mayor Rose will never provide this easy way out for those who are opposed to him. It would make a wonderful headline for the nonagenarian Banner. We can see the flaming red ink spread over the top page, and below it another announcement of the 31st increase in sales on the newstands. And then the 32nd increase, and presently the 50th! (But little or no advance in its classified ads!)

As mayor of the town, Dr. Rose has acquitted himself with distinction. He has given prestige to the office of mayor. He has conducted business with expedition and efficiency. He has given leadership where necessary. But he has never wasted the time of council with useless and frivolous sideline talk. We have never sat under a better chairman. He has proved himself an excellent mayor.

And you'll make a safe bet that he won't resign. Where he is convinced that he is right he is adamant. And he is right on the arena question. The facts support his stand. And he will defend that stand at all costs.

Closed Meetings

The Banner reports that Mr. Underhill denies that he asked for a closed meeting on the arena question. It appears to be the mayor's word against that of Mr. Underhill. Although we have no personal acquaintance with Mr. Underhill we would be prepared in this matter to accept the word of the mayor against the word of the chairman of the arena board. And among others, for the following reasons.

The whole history of the arena board meetings to our knowledge have been closed meetings. If the chairman of the arena board had called the press to its meetings the likelihood is that the present impasse would never have arisen. But no request has ever come to us in nearly three years to attend meetings of the arena board.

From the records we can show that in two and a half years Mr. Underhill has attended only one meeting of council. On that single occasion he came to council to request an expenditure of \$15,000 on the rink and asked that the press withhold the figures he gave out.

He explained that other members of the board were otherwise engaged or some of them would have accompanied him to the meeting. But only a few days ago a well-known former member of the arena board told us he had never been invited to come to council with the chairman.

When the time came for the payment of the accounts former member of council, Mr. R. J. Gundy, refused to vote payment and requested the then mayor to ask Mr. Underhill to come to the next meeting of council and clarify the accounts. He was supported in this request by former member of council, Mr. Charles Davies.

The accounts were held over but the chairman of the arena board did not put in an appearance. The then mayor requested that the accounts be paid. This course was followed with Mr. Davies and Mr. Gundy voting against payment. It was a recorded vote. These statements are not made on hearsay or from memory. They are on the printed records.

Further Absence

At the beginning of the present year Mayor Rose requested a delegation from the arena board to come to council to answer any questions and give an overall picture of what was going on at the arena, for the benefit of council and the citizens of Aurora.

Mr. Cousins and Mr. Stoddart duly came along but Mr. Underhill sent a message to the effect that "he thought Mr. Cousins and Mr. Stoddart could answer all the questions." Mr. Cousins made a fair job of answering questions put to him. Mr. Stoddart contented himself by attacking the Aurora News Page without stating what he had in mind.

As we have stated, Mr. Underhill has never come before council except on the occasion mentioned, in two and a half years. The whole history of arena board meetings have been closed meetings. The meeting on June 9 was just one more added to the list.

No Report

No report of arena activities has been furnished for the 1951-52 seasons. The citizens have no knowledge of the financial position of their \$80,000 arena investment.

The report published last year was neither dated nor signed. It ought to have been signed by the chairman and the treasurer, in the same manner that financial reports of the Recreation Commission are signed.

Mr. Underhill should know that an insurance policy is of no valid use unless it is dated and signed. Is a financial statement of arena affairs, in which the citizens of Aurora are interested, of less value than an insurance policy?

Having regard to the fact that no entries were made in the treasurer's books from July, 1951, until February, 1952, when Mr. Tucker became treasurer, it could be some time before a report is published. The new treasurer has given council no information on how he has gotten along with the task of making the missing entries.

Councillor Tucker was heard to say, however, that all his spare time was absorbed on the task of making up the neglected books and that he "felt like blowing up about the job he had taken over." Since then he appears to have cooled off, to the extent of being the first to sign a report expressing confidence in the arena board. Also that it was not "an inactive" board. Very funny, is it not?

The Perryment Report

Mr. P. E. Perryment is to be congratulated on not holding back a list of essential improvements and repairs needed at the arena. He is the arena manager and he should know what he is talking about. In his report he speaks of the "cracking walls and the broken floors" in the new building, which the Tucker-Stoddart report described as not "unsatisfactory." "No foundation," says the Tucker-Stoddart report, "for the statements made that . . . the new building was unsatisfactory." The actual truth is that there is no foundation for the Tucker-Stoddart report! Proof? Read the Perryment report. (Page 12).

Mayor Rose wanted the Perryment report and thereby made it available to the press and through the press to the citizens. But the Banner was so busy blasting the mayor that it failed to mention the Perryment report. The Perryment report must have proved a hard blow for the Banner!

In the circumstances arising from the publication of the Tucker-Stoddart report, followed by the Banner attacks on Mayor Rose, it is imperative that the foregoing facts concerning the history of the arena board be released, preliminary to others that will follow in future articles.

"The Guest"

An outstanding motion picture, "The Guest," will appear at the Royal theatre on Monday and Tuesday, July 21-22. Manager Mr. Clifford Griffiths recommends this presentation to his patrons as belonging to the category of "something different." As previously stated, unless a motion picture has unusual qualities Mr. Griffiths does not single it out for special mention.

"The Guest" has those qualities. The theme is strangely unusual and the cast is a powerful one. A family comedy, "Too Young To Kiss," starring June Allyson and Van Johnson, will be shown on the same evenings as "The Guest." Make a note of the date and place: Royal theatre, evenings of Monday and Tuesday, July 21-22.

Honest Aurora

Some time back we wrote a few paragraphs on Honest Mt. Albert and the case of the Fuller Brush representative's sample case. This week we salute honest Aurora. We left a bribe pipe, a valued gift brought home from New York by our son, on the public counter at the town hall. We hunted for it high and low, having forgotten where we laid it down. A day or two later, (Page 12, Col. 5)

EDITORIALS

WHITEWASH!

The Tucker-Stoddart arena report is whitewash. And poor whitewash at that. There is so much water in it that it runs all over the place. As an example of self-contradiction and self-condemnation it is a masterpiece. Even for a bad cause one had a right to expect something better.

In one and the same sentence the Tucker-Stoddart report declares that "there was no foundation to the statements made that the old building was unsafe or that the new building was unsatisfactory". The report then admitting that "some repairs were necessary, many of which would not involve a large expenditure," it proceeds to state that "a large expenditure would be necessary if a retaining wall at the easterly limit of the arena on Gurnett street was erected in order to stop the water flowing towards and under this end of the building."

Think that one over, please! When you have thought that one over, please turn to the report of the arena manager, Mr. P. E. Perryment, which was tabled by Mayor Rose and is now available for publication. It is dated April 12, 1952. Why have we not heard of it earlier? Was there some desire to suppress it?

The main purpose of the Tucker-Stoddart report, we suggest, is contained in its final paragraph, i.e., a vote of confidence in the arena board, of which Mr. Underhill is chairman. And when was Mr. Underhill elected chairman of the arena board and by whom? Quite a number of people are asking these questions.

It is one of the questions we shall deal with in future articles on the arena board and its activities, or non-activities. Now that the report has been published we propose fully to explore the whole arena subject. The subject is at its beginning, not its end.

LITTLE BANNER BUBBLES!

Aurora Banner editorials and other interpolated snippets provided first-class material last week for students of psychology. There was a little pat here, and a little pat there, for several members of council. The little pats were pabulum for any little breasts inclined to swell. The editorial performances were most amusing.

Not so in regard to Mayor Rose! The Banner gave him a headline which, if the Banner were taken seriously, could produce some prejudice among the simple-minded. It implied that the mayor wished to conceal the cost of the new reservoir from the ratepayers. There was a lecturing editorial on the same subject. The Banner claims it obtained from the mayor the right to publish the cost of the contract.

Before the Banner approached Mayor Rose we asked him about publishing the cost of the Aurora Building Co.'s contract price. He offered no objections but thought that in fairness to others who had tendered that their prices be not published. This procedure has been followed during the whole of our experience at the Aurora town council.

What about the public school contracts and Dr. Henderson's request that they be not published? Did the Banner make a headline of that? No, Sir! On the single occasion that Mr. Underhill came to council in the past two and a half years, he came to ask for money for the rink. He asked the press not to publish the figures and Mayor Bell concurred. The facts are on the records.

Could it be that the Banner is blowing up some little bubbles for a buckwoods candidate? Banner editorial performances are so amusing!

THE PHANTOM RIDES AGAIN!

Council was informed at its last meeting that the planning board was making good progress with the by-law. When asked what by-law Councillor Tucker said it was the zoning by-law he was referring to. He added that he expected it would again be presented to council at an early date by the planning board.

So, the phantom rides again! Several times attempts have been made to transform this phantasmagorical thing into an actuality. But the efforts to bring it to life have ended only in a succession of abortions. Former Councillor Bob Gundy applied to "The Thing" unusual obstetrical skill without bringing it to life. Where he failed it appears that Councillor Tucker is to try and succeed.

A great amount of time, paid for by the taxpayers, was employed by the 1951 council to give the Big Bag of Words an intelligible meaning. There was an occasion when former Councillor Charles Davies was actually in the act of passing several of its clauses, as some members of council automatically raised their hands in approval, with former Mayor Bell smiling benignly.

Then town solicitor, Lorne C. Lee, suddenly indicated that the draft he had was not the same as the one which Councillor Davies was initialling. Councillor Jones had already plaintively asserted that no one in the room knew what it was all about. Finally it was decided to have other copies typed out, with Councillor Davies rising to "report no progress, Mr. Mayor."

The zoning by-law was put aside until the December 1951 elections were over. Nothing more has been heard of it until Councillor Tucker announced its impending return. We shall keep close watch on the phantom!

COUNCIL SIDELIGHTS

All The Facts Support What
Councillor Corbett Charged
As "Deplorable Conditions"

The long-delayed report on arena problems came into the open at the last session of council. It was to have appeared in the press on Thursday, June 19, following its adoption by six members of council on June 16. On Monday night, July 7, it hadn't even been signed. It was not until after the close of the last council session that it was signed.

Mayor Rose must be given full marks for pressing the issue and allowing the citizens of Aurora to know where matters stood. He would have nothing to do with the report for the substantial reason that by and large he did not believe that it faithfully presented the facts. There was an astonishing attempt, led by Deputy-reeve Murray, to force the mayor's hand and compel him to sign a report which he did not believe to be a true one.

This question of applying duress on the mayor was shattered when the legal opinion of town solicitor, Lorne C. Lee, was obtained. "You cannot compel the mayor to sign anything which he does not conscientiously believe to be true." That was the town solicitor's legal interpretation of the position and it was an indisputable one.

Things have come to a sad pass if the Mayor of the town is to be subjected to a process of compulsion in signing something which he does not believe to be true in order to gratify the wishes of a number of councillors who have made up their minds on a certain course, however erroneous that course may be in the light of all the facts. The surprising fact is that he should even have been asked to sign a report when the plain truth showed that it was incorrect.

Publish or Rescind

Mayor Rose told council that it must choose to table the report and thereby release it to the press, or rescind the motion approving the report. He was firm but not aggressive. It was quite apparent that the mayor held the situation could be dealt with by other means than the publication of the report of the six councillors and the rejoinder he had prepared.

He allowed further discussion to go for an hour. While he maintained his own firm attitude that he would not sign the report, he was conciliatory. He suggested that those who wished to publish the report should be sure in their own minds on what they proposed to do. When matters reached the point that the report looked like being published he drew from his pocket a lengthy document.

This was a report which no one had heard about. It was the Arena Manager's report to the arena board. It had been issued as long ago as April 12, 1952. It called for many essential improvements in the condition of the arena. It was a confirmation of the charges that Councillors Corbett and Murray had made against the condition of the arena long before Mayor Rose had made a personal inspection of it.

Publish Without Names!

During the hour-long discussion many strange things were heard. Reeve Cook looked pale and troubled. He thought the "talk was childish." When Reeve Cook is irritated he is given to denouncing those who oppose him as indulging in "childish talk." Councillor Murray sharply retorted that it wasn't childish to attend to the wishes of the people of Aurora. It was their rink, he said, and they wanted to know what was being done about it.

Councillor Jones made the unusual suggestion that the report should be published without any names attached to it. What purpose, we wonder, would that have served? As we shall show in later articles, the arena board has issued statements not only without names attached to them, but also without dates. What is somebody afraid of?

The most bellicose of all the members was Councillor Tucker. He was so determined to get the report published, which he admitted was chiefly his work, that he offered to sign it himself. Mr. Tucker was hell for leather for publication. When Councillor Murray reminded him that he had no authority to sign the report, Mr. Tucker requested that the mayor allow him to telephone Mr. Underhill for authority to sign the report. "Do as you wish," replied the mayor.

Mr. Tucker found Mr. Underhill's telephone inactive. He then asked to telephone Mr. W. H. Stoddart. "Quite agreeable," said the mayor. Mr. Stoddart was away on holiday. "In that case I'll sign the report," repeated

H.V.A. Board Inspects
King Creek District

A meeting of the farm planning and land use advisory board of the Humber Valley Conservation Authority was held in Nobleton on Thursday, July 10. Following a luncheon at the home of Mrs. S. Hambley, the members were taken on a tour of part of the King Creek Valley, terminating at Lady Eaton's farm with a brief business session.

Board members present were: Elton Armstrong, reeve of King township and vice-chairman of the board, and members: W. J. Agar, E. W. Baker, W. M. Cockburn, agricultural representative for York County; James McCullough, agricultural representative for Peel County; Arnold Pitt, Miss Sheila Erwin, representing Dr. E. G. Faludi. Others present were: R. C. Hodges, consultant, G. V. Kaye and R. A. Crawford, field officers, all of the Humber Valley Conservation Authority; W. J. P. Creswick and Earl Sanborne of the department of planning and development, and Elmer Little, member of the Humber Valley Conservation Authority.

Prime objective of the meeting was to examine various measures of conservation already undertaken in the King Creek Valley, and also conditions which could be benefited by better land use. Interesting observations were: the plowing under of sweet clover as a green manure crop, contour plowing, an example of a farm under a farm plan as advised by the soil advisory service, O.A.C., stream bank erosion and dam construction on the Humber River, and reforested woodlots.

COUPLE CELEBRATE GOLDEN WEDDING

Two of Aurora's best-known citizens will celebrate their golden wedding anniversary, July 23. They are Mr. and Mrs. F. C. Davis who, with the exception of the first year of their marriage, have resided throughout their married life in Aurora.

Mr. Davis formerly took a very active part in the public life of Aurora. He was a member of the public school board for 23 years and for many years served as a fireman. He is Aurora's senior garage owner.

Mr. and Mrs. Davis will be at home to their friends on Wednesday, July 23, during the hours of 3 to 5 p.m., and from 8 to 10 p.m. Their numerous friends in Aurora and in York county will wish them both a very happy celebration of their golden wedding.

AURORA CHURCH VACATION SCHOOL

The closing exercises of the Aurora Community Church Vacation School were held on Friday at 10.30 a.m. in the Church St. public school. A goodly number of parents joined with the children for the occasion.

The beginners' group met in a separate classroom and in their closing reviewed their activities. The primary and junior groups met together and sang, recited and displayed their handwork.

The missionary theme of the school this year was: "Bibles For All The World", and the children contributed \$24 which has been forwarded to the British and Foreign Bible Society. A generous offering for local expenses was received during the closing exercises.

Special thanks are due to all volunteer leaders and their 20 or more assistants. Mrs. H. E. Routledge was in charge of the beginners, Mrs. Carson, of the primary; and Rev. K. D. Whatmough of the juniors.

The local Recreation Committee gave invaluable service in the handwork and games periods. Thanks and appreciation is expressed to Mr. Perryment, Mr. Mundell, Nancy Stocks, Jane Kincaid, Margaret Barrager and Elizabeth Hearn.

The leaders wish to thank the local Lions and Rotary clubs for their generous donations, without which many activities could not have been carried out.

About 175 children were enrolled and the average attendance was 135.

Thursday, the seventeenth day of July, nineteen hundred and fifty-two

ARENA MANAGER'S REPORT

Perryment Report Disproves The Tucker-Stoddart Report: Tabulates Long Repair List

The Aurora Arena Commission, Aurora, Ontario.
Gentlemen of the Arena Board:
During the past five months I have had an opportunity to review the activities in relation to the service required of the Arena building and facilities and have made a careful analysis of the total situation for study and planning in the future.

The influence of the atmosphere of the building makes itself apparent in the conduct of those who use the Arena.

Roof - The ice roof is of galvanized sheets and in fair condition. Would suggest a close check up re-nailing, caulking and replacement where necessary. About 20 leaks are evident but some only on a southwest rain. Roof over the entrance and food bar was not completed and gives trouble at times in the refreshment room below.

Drainage - Will need a new drain put in for the purpose of getting rid of the snow in the snow pit. The one now in use is out of line, small and continually clogs, we have broken the floor to keep it clear.

The east end of the Arena needs attention immediately. The building rises and drops to the extent of 18 inches throughout the season, making it difficult to keep the hockey cushion on the end in place, plus the seating, walks and pipes.

Outside Drainage - The condition is bad at all times around the east and north end of the Arena building. At the present time all there is a deep ditch to drain the water off the road and no drainage from this ditch which is wet at all times. This is the main source of our building trouble. A retaining wall of some kind would eliminate the trouble and aid in the installation of an indoor floor.

Safety Guard - Need a guard for the refrigeration machine for the safety of the staff.

Painting - (a) Interior of the Arena seats, girders, and east end. (b) Entrance of building; cement blocks could be given a spray job to take away the drab appearance of the cement block also the small building at the side of the Arena.

Repairs - Seats and hockey cushion will require its yearly repairs and replacements of broken boards etc.

Arena - Hink entrance could use a door to the seating section, this to be closed when there is no program on the Arena ice or special practice periods. This would prevent people from walking all over the seat walks and

children running around the building.

Recreation Room - This room can mean the process of good character building and should be well supervised and an organized program developed. As the main office is not connected with this room in any way would suggest an office could be built at the south end of the recreation room. This office could be also used for an extra wicket for tickets on busy nights and as the manager is on duty daily it would give supervision to the recreation room at all times.

Entrance and Parking Lot - As this is the entrance to the Town of Aurora, it should be a beauty spot. At present the ground is too low in spots and mud holes form in the spring and fall. Suggest a grading and fill process, proper parking signs, hedges for the fence and in front of the building plus a few Town benches for the comfort of the people who walk back and forth during the summer months. Arena could also use a flag pole as it is a Memorial Arena.

Flooding Process - Room should be built under the seat or at the east end of the building close to the ice surface so that flooding can be done as in other Arenas with barrel. The present system is by a drag method using about 250 feet of hose and is handled from the entrance to the dressing rooms and downstairs food bar. Very cumbersome and in the way of players and spectators.

Dressing Room Walls and Office - Cement blocks need attention and in some cases mortar and caulking to close the cracks in the walls.

Floors Downstairs - All cement floors in the hallway and dressing rooms need a finished coat as it is impossible to keep the dust down and they are chipping away.

Trends in program noted -

(a) Increasing tendency on the part of boys and girls to help and show leadership.
(b) Increased emphasis on boys, particularly small groups for club work and program. So far no rooms around the Arena can be tied up for this type of work.
(c) People are showing a greater interest towards the work the Arena are trying to do for youth and in a few years much help can be anticipated for program leadership.

The Arena officials are trying to do a good job of keeping high standards to help develop good Christian character through sportsmanship in sports and recreational activities.

Success Joan McAulay of Toronto succeeds Mrs. Landen as dancing teacher and will take over her duties in the fall.

Miss E. S. Smith of Barrie and Mr. and Mrs. Hopp of Rochester, N.Y., were guests last week of Mr. and Mrs. J. Dodd. Mr. and Mrs. Don Webster and family of Ottawa were in town last week occupying the home of Mr. Webster's aunt, Mrs. Scott, who is giving up house-keeping and going to live in Ottawa. Mr. and Mrs. Webster left later for a two weeks' vacation at Sandy Beach, Haliburton.

(Mrs. Roy Fierheller, social editor of Aurora News Page, will be glad to receive locals and news items. Please phone 477m.)

Mr. Marshall of Keswick, the Fuller Brush representative who left his sample case on the Main street of Mount Albert for many hours and found it intact, can safely do the same in Aurora. Of course he might get a parking fine! But, like our pipe, his sample case would be respected. Aurora is an honest town.

COUNCIL SIDELIGHTS

(continued from Page 11)

he substantiated what Councilor Corbett had charged against the arena conditions. Mr. Murray knows the arena better than most people since he has been interested in sport since boyhood. When he was appointed to the arena board as a council representative he took his duties very seriously. He was not willing to be an "inactive" member. Having spoken out in the interests of the ratepayers in an effort to remedy arena conditions he was attacked by Mr. Underhill and the Aurora Banner.

Whose opinion do you suppose the ratepayers would prefer to accept on the condition of the arena, Mr. Murray's or Mr. Tucker's? Mr. Murray has lived a lifetime in Aurora. Mr. Tucker has lived in Aurora for some three or four years.

Such are the substantial factors which must be taken into consideration when judgment is formed on the Tucker-Stoddart report. There are other considerations also which we shall take account of in future articles.

Mayor Rose
He is not the sort of man who will be browbeaten into signing something for the sake of a little face-saving, a little whitewashing. Especially so when that "something" is not a correct report in accordance with the facts. The mayor made a personal inspection of the arena, going through it and over it from end to end. Having done so he told the citizens of Aurora the truth about the condition of the arena. When Deputy-Reeve Murray tried to force the mayor's hand in getting him to sign a report which he did not believe to be true, the deputy-revee was acting against the best interests of the town.

It would have been a triumph had they got the mayor's signature on their report. But they didn't. For the stand he has taken Mayor Rose stands high in the opinion of the citizens of Aurora.

Social News

Dr. Crawford Rose, mayor of Aurora, and Mrs. Rose will be on vacation during the last two weeks in July.

Rev. Dr. Wm. Orr Mulligan and Mrs. Mulligan are on vacation. During his absence the pulpit of St. Andrew's church will be supplied by the Rev. H. Keith Markell of the chair of church history in the Presbyterian college at Montreal. Professor Markell is one of the younger men of his denomination and one of its good preachers and leaders.

Mr. Ben Bowser, eldest brother of Mr. John W. Bowser, and brother of Mrs. Fred Brown, arrived by air from Winnipeg on a visit to his relations.

Mr. and Mrs. John Willis, and their son and daughter, John and Margaret, have returned from a tour of northern and eastern Ontario.

Councillor Ralph Tucker and Mrs. Tucker will be taking a vacation during the last two weeks in July.

Miss Marie Spence and Mrs. Betty Bunn are holidaying in Saskatoon.

Dickie Lynn Tomlinson of Barrie is holidaying with his grandparents, Mr. and Mrs. J. Dodd.

Mrs. Bradbury and daughter Lily are holidaying in Kelowna, British Columbia.

Miss Jolyne Doolittle, who recently graduated with honors from St. Joseph's hospital in Toronto, left on Friday for San Francisco where she will spend six months in training.

The United church Sunday school picnic was held on Friday afternoon at Alcona Beach. Town Clerk Ken Moses left Tuesday by plane for Winnipeg for a two weeks' vacation. He is attending the wedding of his nephew.

Miss Joan McAulay of Toronto succeeds Mrs. Landen as dancing teacher and will take over her duties in the fall.

Miss E. S. Smith of Barrie and Mr. and Mrs. Hopp of Rochester, N.Y., were guests last week of Mr. and Mrs. J. Dodd.

NOTICE

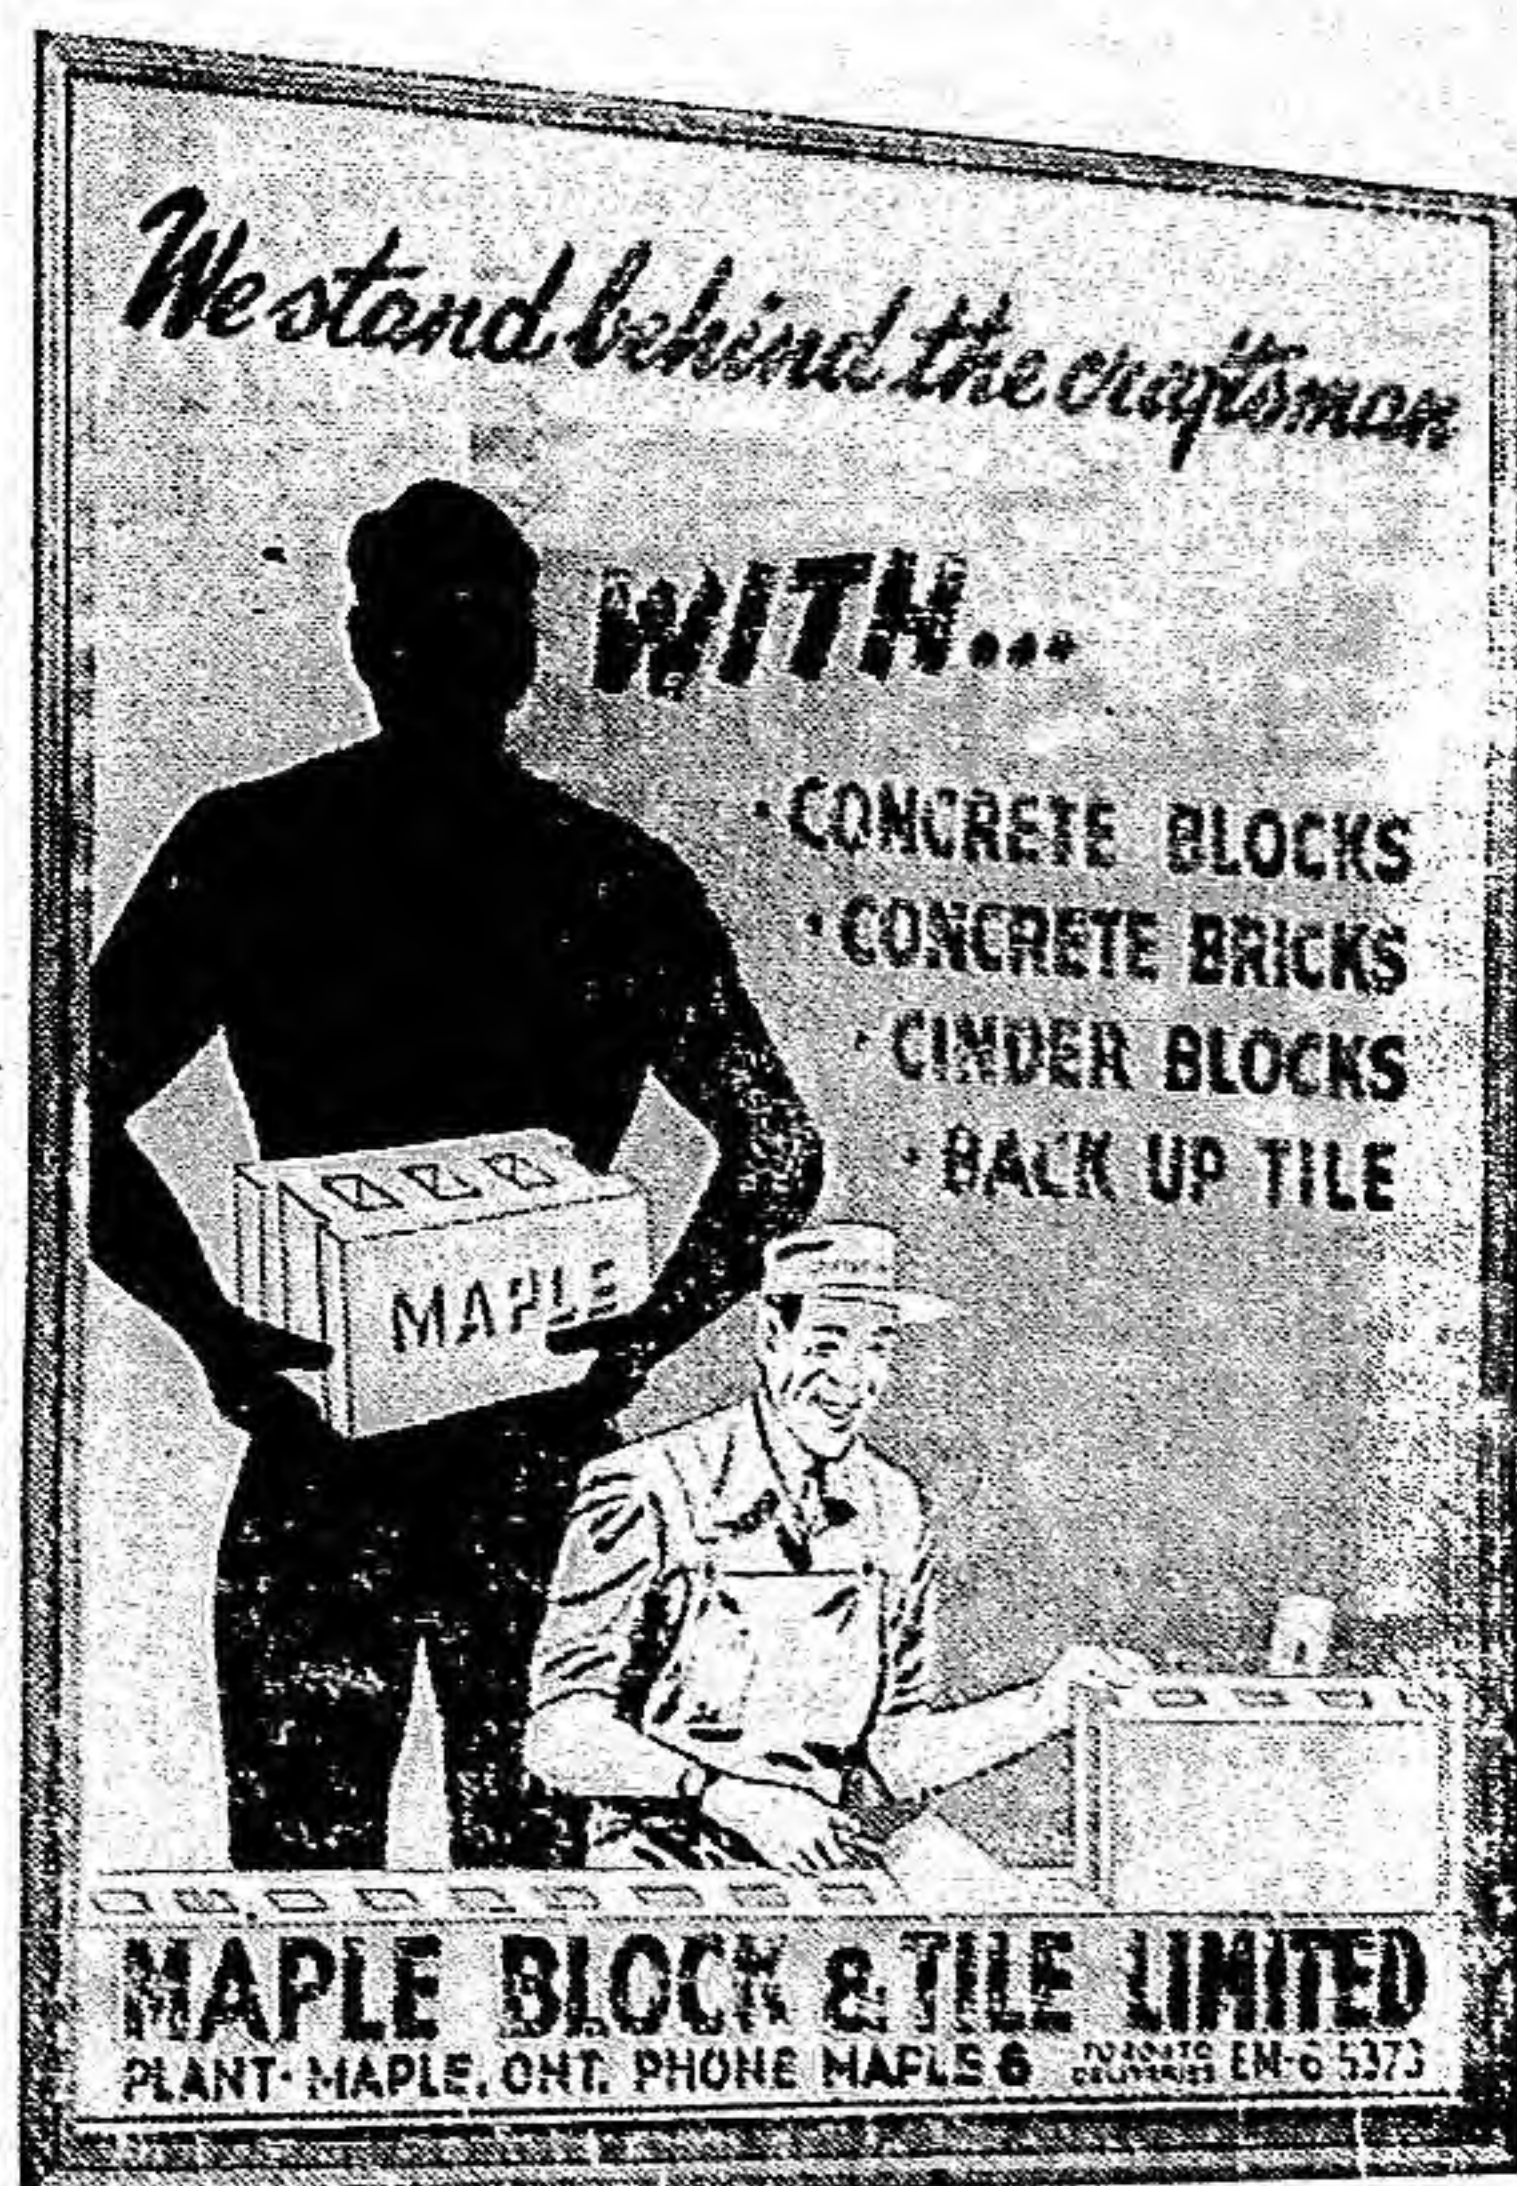

Re: Change of name of Lepper Street to Hillview Road

NOTICE is hereby given that the Judge of the County Court of the County of York has appointed Tuesday, the 22nd day of July, 1952, at the hour of 2.30 o'clock in the afternoon at the Council Chambers in the Town Hall, Aurora, to consider the By-law number 1124 passed by the Council of the Town of Aurora to change the name of Lepper Street to Hillview Road and for hearing those advocating and opposing the change.

DATED at Aurora this 24th day of June, 1952.

K. G. MOSES,
Clerk.

Do YOU Want Stable Prices?

Price stability depends on many things, but principally upon the relationship between wages and production.

If wages go up without a corresponding rise in the volume of man-hour production, then prices are bound to go up too. So it is really up to the Canadian people whether or not we have stable prices.

If we Canadians want the cost of living to stabilize then we must see that man-hour production keeps pace with wages.

Awards at S. H. School

Rev. Francis McGee, pastor of Sacred Heart parish, presided at the closing exercises in Sacred Heart school. Promotion diplomas were given to all classes. Special awards were given for perfect attendance during the year to June Jarvis, Terence Flanagan, John Snider, Michael McCormick, Dorothy O'Reilly and Ken Best. Special gifts were awarded to graduates of grade 10, Frances Greenwood, Michael Lawlor, Robert Crook and John McCrohan.

Some pupils of Sacred Heart school are anxiously awaiting the opening of the Canadian National Exhibition. They will be competing in public speaking and art, having been coached by Sister Mary Fleurette, who is now taking a specialized course at Ottawa's summer school for teachers. In the public speaking competition will be Rita McCrohan, Mary Lawlor and Dorothy O'Reilly. Bob McCormick is entering the art contest.

Graduate Public School

Looking forward to life at high school this fall are graduates of district public schools. From S. S. 2, King City, are: Bert Archibald, Timothy Grew, John Martin, June Peck and John Anne Wilson; Kinghorn school, Douglas Hollinshead, Barbara Sturdy and Donna Pickett; Eversley school, Maureen Wellesley, Betty Alexander, Mary Cadden; Strange school, Archie Galbraith, Lynn Williams and W. Stephenson; Temperanceville will send six of its seven graduates to high school, Elizabeth Wilson, Marie Wilson, Fred Rowan, John Anderson, Robert Master, Philip Morris. Gerrit Herrema intends to farm.

Mr. Norman MacMurchy, his sister, Mrs. A. Hill and her daughter Agnes of Nobleton set out last week to visit friends on the way to British Columbia. They will be gone a month.

Mrs. Robert Gay of Belleville visited her sister, Mrs. Arthur Green, last week. When Mr. and Mrs. Green attended the reunion of the 98th battalion held at Queenston Heights, recently, Mr. Green saw many of his comrades who had served in World War I. There were 150 at the gathering.

Religious vacation classes at Sacred Heart school closed after a period of two weeks. They were conducted by two Sisters of Providence. The school is held for Roman Catholic children who have been attending public school during the term.

Visitors of Mr. and Mrs. Keith Cambden on Sunday were her parents, Mr. and Mrs. William Orvis of Cresswell, and three children whom Mrs. Orvis is caring for, and Mr. and Mrs. Alex Barton of Toronto. Paul Hammi, aged 10, of Cresswell, a brother of Mrs. Cambden, is visiting his uncle, David Cambden, age 7. Mr. Cambden's grandfather, Mr. David Laughlin, 77, has been in Peel Memorial hospital for the past three months as the result of a stroke. Keith was raised by his grandfather, and visits the hospital every evening. He hopes to have him removed to nursing home closer at hand.

A group of friends had an interesting outing over July 6 weekend. They motored 190 miles north of Parry Sound, took the train at Ardbeg for a point at the South Magnetawan River, went by boat three miles up the river to their hunter's cabin. Fishing was good. On the trip were Mr. and Mrs. Harold Hollinshead and Douglas, Mr. and Mrs. Hugh Ross and Art, Mr. and Mrs. Sandy Sanderson. Misses Jung and Ruth Hollinshead are having holidays at their home at Kinghorn.

The Harold Hollinsheads, Norman Egans, and Harry McBrides saw the Maple Leaf-Syracuse ball game at Maple Leaf stadium on July 10.

Shower for Coming Bride
Miss Clare Magee, King

Ridges, was the recipient of 82 beautiful gifts at a surprise miscellaneous shower given for her at the home of her friend, Miss Betty Lewis, Toronto. A decorated cedar chest and a basket were filled with gifts and a pink and white shower umbrella with streamers formed the decoration. Assisting the bride-elect was her sister, Mrs. Eleanor Thompson, who with Betty Lewis will be an attendant at the wedding on Saturday, August 2. The daughter of Mr. and Mrs. Thomas Magee, Clare will become the bride of Allan Francis Sales, the son of Mr. and Mrs. Isaac Sales, con. 4, east King, King township. The ceremony will be performed in Sacred Heart church.

Return to Original Date
"Back to July 1 field day", is the slogan of Lake Marie and King Athletic Association for 1952. This move has been talked about for some time and at a meeting on July 10, the club decided to revert to that date in the 33rd anniversary of the chartered association.

"Those were the times when folks from all over the countryside came to the annual day of sports and entertainments," stated Bert Kelley, a veteran member of the organization. He was started at 1 p.m. and would have seven or eight softball teams as well as girls' softball. There was a football tournament and plenty of races for children of all ages.

People could bring their picnic basket and stay all afternoon, and remain for the evening dance. There was also a refreshment booth for folks who got hungry in between times or did not want to bother with lunch baskets. Bert Kelley was sports convener then. It is about 16 years since field days were discontinued.

"On July 1, 1953, a similar type of program will be considered and we will be then associated with our original date," president George Brown, pointed out.

Church Picnic July 23

All Saints' Anglican Sunday school will hold a family picnic in Lake Marie park on Wednesday, July 23, at 2.30 in the afternoon. Picnic lunch baskets will be brought for the supper, when the men folk will be on hand. There'll be games and sports for everyone during the afternoon. Mr. Gordon Tetley, superintendent, and teachers are arranging the program.

Eversley Presbyterian W.M.S. will be held a week later this month, on July 23, at 8 p.m., at the home of Mrs. John Phillips. In August, a missionary service will be arranged by the society at a Sunday evening service. Eversley congregation meets for service every Sunday evening during July, August and September; Strange congregation at the regular time in the afternoon, and St. Paul's Ninth Line every Sunday morning at 11.

Mr. Tom Patterson, King station master, is on vacation and with his wife and son, took several days' motor trip along the St. Lawrence River, crossing over the Roosevelt bridge into New York state. They had an enjoyable time.

At Calgary Stampede
Mrs. Roy Bowen and her sister, Mrs. Mary McCullough of Maple, motored to Calgary to visit their sister and were there to see the Calgary stampede. Mrs. Bowen returned home early this week but Mrs. McCullough is remaining for a few weeks longer.

Back from Hospital
Mr. Andrew McClure came out of hospital last week and is convalescing at the home of his daughter, Mrs. Alfred Gillham, Maple Farm, Strange. He is improving slowly from pneumonia and able to be up part of the day. It was his first illness. He will remain at Strange until he feels much stronger.

Mr. and Mrs. Fred Curtis motored to Owen Sound to see the district for a few hours one day last week, and on Sunday were visitors of Mr. and Mrs. Jim Wells of Toronto at their cottage at Wasaga Beach.

Sir Ellsworth and Lady Ellaville enjoyed the weekend at Bigwin Inn, Lake of Bays.

Here from Brampton for the Case-Wilson wedding last Saturday, were Mr. and Mrs. Alvin McNair.

Mr. and Mrs. Dave Glass and family motored to Bracebridge on Sunday to visit her aunt, Miss Dorothy Tibbett.

Miss Mary Jane Walker will be camp counselor at Lake Couchiching, the summer camp under the directorship of Toronto Anglican diocese. She instructs in hand crafts for two weeks.

Miss Mabel Rumble has been convalescing at the home of her parents, Mr. and Mrs. George Rumble, following a minor operation. She expects to return to her office position in Toronto this week.

Mr. and Mrs. Ivan Specht and daughters motored Mrs. M. Rice, mother of Mrs. Specht, to Watford on Sunday after a visit with her daughter at Windy Ridge Farm. Young Dorothy Specht went along so she could visit her grandmother on a two-week vacation.

Mr. and Mrs. Bill Willoughby and son Paul are on vacation at Washago at the Willoughby parental home.

Mrs. H. H. Whitney of Atherly is staying with her mother, Mrs. G. H. Stone. She is looking very well after her recent operation. Her daughter Frances is taking a teacher's summer course.

Mr. and Mrs. Harry Clark and family moved to their cottage at Kinghorn for the summer.

Mrs. Ivan Siler and daughter Evelyn of Port Credit spent several days at the home of her cousin, Mr. Pearson Smetzer, and also visited at Scott Smetzer's, Lasky. She was here for the birthday of John Smetzer, little son of the Pearson Smetzers, who was two on Friday, July 11.

Dr. Campbell McKay and family motored to Owen Sound late in the week for a few days with his parents, Captain and Mrs. Angus McKay. Dr. McKay was groomsmen for his brother Gordon, who was married on Saturday to Miss Joan Dorothy Smith of Owen Sound, at a ceremony in the Central United church. The bridesmaid was Mrs. Earl Smith of Oshawa and the maid of honor, Miss Elizabeth McFaul Gordon, a well known at King, having lived in his brother's home for a time last year. The couple will make their home at Lansing.

Rev. John Galloway and wife of Port Hope have been spending a week of their vacation with their friend, Miss Eliza Fisher. Mr. Galloway was pastor of Bethel Baptist church, Kettleby and Pottageville, a few years ago.

After the wedding reception of Mr. and Mrs. Howard Case, on Saturday evening, the bride (Patricia Wilson) sent her beautiful white colonial bouquet to Mrs. M. R. Jenkinson who was unable to be present. The bridesmaid, Ruth Wilson, sent her bouquet of white and royal blue flowers to Mrs. Bill Haddock of Thorold, whose husband was an usher at the wedding. She also was unable to attend the event.

Mr. and Mrs. A. J. Healock, Toronto, came to King City to see the Case-Wilson wedding in the United church on Saturday. Mr. Healock is head of the American Optical Co., where the bride has been employed in the office.

A recent visitor of his cousin, Mr. Harvey Folliott, was Albert Folliott of Galt who paid a visit to the scenes of his boyhood days. He visited the farm of Albert Jones at Eversley where he was raised, had a look at the old school there, and called at the home of Ivan Specht, King sideroad, where his late brother, Ivan, had lived. He had assisted his brother in building this home. The visitor also called on his cousins, Albert and Roy Folliott, at Temperanceville. He was surprised to find that King City and district had expanded so greatly. Mr. Folliott held the rank of major in the Canadian army during World War I.

Summer Traveller

A six-year-old boy at King City decided last week he would like to visit a relative in Toronto. On his tricycle he went as far as the foot of the Tannery Hill. "I couldn't budge the hill, it was too long a climb," said he. Anyway there were complications. "You can't ride bikes on the Barrie highway; it is only for trucks and cars." So he biked south on the fifth concession, reaching the house of a friend, had supper there and was brought home. "I went two miles and I didn't tell my mother I was going. Now I can only ride my bike a little distance from the house. I must go now, as mother will be wondering where I am," and he hurried off down the street.

Mr. and Mrs. Fred Boys of Oak Ridges, Mr. and Mrs. Wm. Hoiles of Nobleton spent a few days at Kirkland Lake with Mr. and Mrs. Alvin Walker, a sister of Mrs. Boys.

Mr. E. J. Archibald had the misfortune to fracture a couple of ribs. He slipped on the floor indoors, causing the break.

Miss Marion Rooney of Atikokan is visiting her grandmother, Mrs. Frank Wilkins, at Oak Ridges and will be visiting her aunt, Mrs. Clarke Archibald, of King City. Marion is a high school girl and intends to stay until the end of the month.

Mrs. Bregg and her sister, Miss Lillian Partridge, Toronto, and Miss Grace Sagert, acting superintendent of Toronto's Psychiatric hospital, were Sunday visitors of Mrs. Gordon Tetley. Mrs. Bregg is remaining with her daughter for a week. Mr. Tetley is on vacation and was at work in Jack Whalley's hay field on Monday.

Mr. and Mrs. Bill Reid and Joan have been staying at the home of Mrs. Reid's mother, Mrs. Frank Gambrill. The Reids have sold their home and furnishings at Toronto and on Wednesday morning left for Vancouver where they are making their home. On Sunday, there was a family gathering at the Gambrill's, including Mr. and Mrs. Ken Broughton (Elsie Reid), Mr. and Mrs. Ed. Cudworth, a sister of Mrs. Reid, all of Toronto.

Mr. and Mrs. James Davidson are on a motor tour to New Jersey, U.S., while Mr. Davidson has his vacation.

On Eversley church anniversary Sunday, out-of-town visitors at the services were Mrs. A. K. McLaren and Mrs. S. McVittie, Toronto, formerly of the congregation, Mrs. Alfred Smith with her friends, Miss Duthie, Miss Graham and Miss Jessie Brebner, a retired missionary, Mr. and Mrs. Jim Wells, Toron-

to, were also visitors at the evening service.

Mrs. George Billings and children are spending a week at Wasaga Beach, where her husband's aunt has a cottage. Mr. Billings is engaged in a summer course in physical training at McMaster University at Hamilton. He will teach at Aurora public school in September.

Twins' Car Vandalized

A front wheel was stolen from a Buick sedan car belonging to Don and Ron Nile, 19, sometime early Sunday morning, while it was parked on the fifth concession, opposite Sacred Heart school. Employed by Storms Construction Co. on the highway, they had run out of gas early in the evening but had returned to the car later and stayed in it until midnight. Fortunately they had removed their trench coats.

When they went to church early Sunday morning they discovered the loss. The boys had only come to the district a week before and are boarding with Mrs. Robert Crook at King Ridges. Their home is in Quebec. Provincial police investigated.

Successful in Music Exams

Seven out of twelve pupils of Miss Dorothy Armstrong who tried music examinations at the Royal Conservatory of Music in June received honors. Results were: Grade 1, Elaine Gillespie, honors; Donna Bowen, pass; Grade 2, Donna Jennings, honors; John Pearcey and Frances Schmidt, pass; Grade 3, Paul Harnden, pass; Grade 4, Helen Peck, honors;

Grade 6, Barbara Pearcey, 1st class honors; Grade 7, Chris Beggs, honors; Theory, grade 2, Marlene Lloyd and Martha Beasley, both 1st class honors.

Pupils of Mrs. Dan Rawlings completed their music examinations successfully. Betty Alexander passed grade 2 piano and grade 1 theory with honors. She has been studying music since last November and plans to continue with her work of the Royal Conservatory course when she goes to England with her mother in August. Betty will live in England for a year. She will study under her cousin there. Roger Rawlings passed grade 3 piano.

King Lions Have Charter Night

"Lionism constitutes two simple words, 'unselfish service'. It has but two things to offer, hard work and good fellowship with others whose aim is service for others," past district governor, Dick Edmunds of Richmond Hill, remarked when he presented the charter to John C. Dew, president of King City Lions, the newly formed organization of district A-7.

The occasion was Charter Night of the new club, sponsored by Oak Ridges Lions held at Graystones, Aurora, July 9.

Introduced by past deputy district governor, Arthur Kneeshaw of Bradford, Mr. Edmunds said the gathering had two purposes, to celebrate the birth of a new Lions organization and to give it a name that would send it into the world to do a job of Lionism. He reminded the new members their task is not easy. It demands time, energy and thought.

"The hardest working man of the club is the president," stated Mr. Edmunds. He is responsible for its success or failure. He lights the spark and keeps it burning. If the organization falls away the president is not succeeding. His responsibility is to fit each individual into the picture. He leads by example. He does not push or shove.

Accepting the charter, Mr. Dew said his club would endeavor to make King a better place in which to live. He expressed appreciation of the sponsoring club and spoke of the privilege of humble service to his fellow men.

When Rev. M. R. Jenkinson of King gave the address of welcome, he spoke to 170 at the dinner table. Among these were provincial and district leaders as well as representatives of 16 district A-7 clubs. The presence of the St. George club, headed by district A-2 governor Bill Taylor, was a tribute to John Dew, a former official of St. George.

"We can no longer live as isolationists," said Mr. Jenkinson. As an international organization, Lions are brothers, irrespective of creed, class or color. The danger, he warned, is failure to uphold the high standards.

"Your society will be tested. Make it live in deeds and not in words," Bruce Malcolm, executive secretary and representing Niagara Falls club, was introduced by Jack Blyth, past president of the Oak Ridges group.

"Never refer to international, zone and district officers as brass hats. They are servants of the clubs," he said. King City is the 25th new club in the 241 in Ontario and Quebec. Mr. Malcolm introduced the clubs present and the guests who composed the head table.

Presentations to King City

Presentations to the King Lions were made by Mr. Kneeshaw and Mr. Malcolm as follows: framed picture of Her Majesty the Queen from Thornhill; framed Code of Ethics, West

Hill and Highland Creek; Union Jack, from Bradford and Unionville; American flag, North York club; luncheon badges, Newmarket and Aurora; set of table flags, representing countries in which Lions clubs have been formed, from Maple and Stouffville, presented by Wesley Dew, past president of Maple, and brother of King City's president; secretary's jewel button, Agincourt, president's jewel, Schomberg; speaker's lectern, from Rouge Hill; fine box, from Cookstown; gavel, Richmond Hill, and the treasurer's button from St. George, presented to Bill Taylor.

Seated at the guest table, which was decorated with a lovely bouquet of white snapdragons and mauve asters, the gift of Mrs. John Dew, were the

following, with each of the ladies wearing a corsage of roses, the gift of the King City club:

Mr. and Mrs. Fred Thompson, Newmarket; Rev. and Mrs. M. R. Jenkinson, Mr. and Mrs. Bruce Archibald, Mr. and Mrs. Bruce Hall, Mr. and Mrs. John Dew, Mr. and Mrs. Blyth Langdon, all of King; Mr. and Mrs. Bruce Malcolm, Niagara Falls; Murray Huggan, field representative of Lions International, and Mrs. Huggan; Mr. and Mrs. Bill Taylor, St. George; Mr. and Mrs. Dick Edmunds of Richmond Hill; Mr. and Mrs. Alfred Greenwood, Mr. and Mrs. Arthur Kneshaw, Bradford; Mr. and Mrs. Jack Blyth, Oak Ridges.

The soloists were Mrs. Barbara Ambicki, soprano, and Wm. Boucher, tenor, both of Toronto, who were accompanied at the piano by Ivan Specht of King. Patriotic and club songs were led by Ken Farquharson of Oak Ridges.
